Re: OFSTED Inspection
Dear Parent(s)/Carer(s),

Today we were notified that the academy will be subject to an OFSTED inspection over the next 2 days. This is an exciting opportunity for us to show how far we have come since our last inspection. We will fight really hard to secure the outcome we feel that we deserve and I would also ask you to fight on our behalf. We strongly believe that we are a good school and need your help to convince the inspection team that this is the case.

I truly believe that Holy Trinity has improved over the last 2 years as part of Abbey MAT and since our last inspection. Every member of my staff has gone above and beyond for this academy and our children. Whilst we know that there is always more we want to do we are very proud of the academy and our pupils and we love what we do. We genuinely believe that we get things right for our pupils in the vast majority of instances and when we don't we respond quickly and effectively to this. It is the care that we show that makes us special.

We therefore need your help. I would ask that you take the opportunity to talk to the OFSTED inspectors and to tell them about the changes you have seen since our last inspection and about your child's experience of school. If you feel as passionately about our academy as we do it is important that you do this.

I would also ask that you logon to the Parentview website and share your views in this way as well. These responses help the inspectors focus their investigations in school. These were fantastic last time and really lifted our spirits when we needed it and were very moving.

There is also a pupil questionnaire and OFSTED would like to hear their views. You can do this by completing an online pupil questionnaire at the following link: https://ofsted.smartsurvey.co.uk/s/Pupil/10087570

It will also be vital that children arrive at school on time, in full uniform and are ready to show their best. I would ask that you talk to your child about the fact that the inspectors are in school and that we want them to see our academy at its very best.

The next 2 days will be tough for staff and your support will be very important to us. I truly believe that we have a school to be proud of.

Thank you,

Mr Foulke
Principal
