At San Clemente Presbyterian Church Preschool, we believe that each child is a precious gift from God and we want to provide a

SAFE, LOVING, & NURTURING

atmosphere to meet your child's developmental needs.

LITTLE WALKERS 24 months - 3.5 years

Toddlers are naturally energetic and curious learners. The toddler program offers children a safe, loving, and nurturing environment to explore and flourish through songs, playtime, and short lessons all designed specifically for that inquisitive toddler personality.

THE TEACHER'S ROLE

- Plan curriculum that encourages children to explore, create, and problem solve through fun activities, projects, and experiences
- Assess each child's development aptitude and build positive and supportive learning strategies based on what they need to succeed
- Respond to conflict using guidance techniques that encourage children to express their thoughts and then guide them towards positive outcomes
