School of Atelier Ballet COVID-19 Protocols

REVISED April 12, 2022

Registration will be on a first signed-up, first served basis. We request all students register for the entire term. Please bring a cheque or cash to your first class. Please remember, it is important you attend the classes you sign up for! We are still restricting class sizes, and we don't want anyone to miss out because someone has not attended.

St. Lawrence Hall will be locked at all times, so School of Atelier Ballet staff will wait downstairs from 30 minutes prior to class time to let you in. **Please arrive at least five minutes before class begins.** We are working on getting the doors unlocked during class time, but please do not count on this.

We encourage wearing a mask into the building, but we no longer require it. Please use hand sanitizer before proceeding upstairs. Only one person is allowed on the elevator at a time.

The building has requested that no one change in the washrooms.

If wearing a mask, students may unmask as class begins. We request that you keep your mask on your person during class if you choose not to wear it.

Please practice reasonable distancing. Like wearing a mask, it is no longer required but still encouraged to make sure we are all comfortable and safe. You will be able to warm up for class in the hallway, the green room, and the studio itself in order to maintain physical distancing. We will work together to make this a priority!

All hard surfaces, such as ballet barres, will be disinfected daily and after each use.
