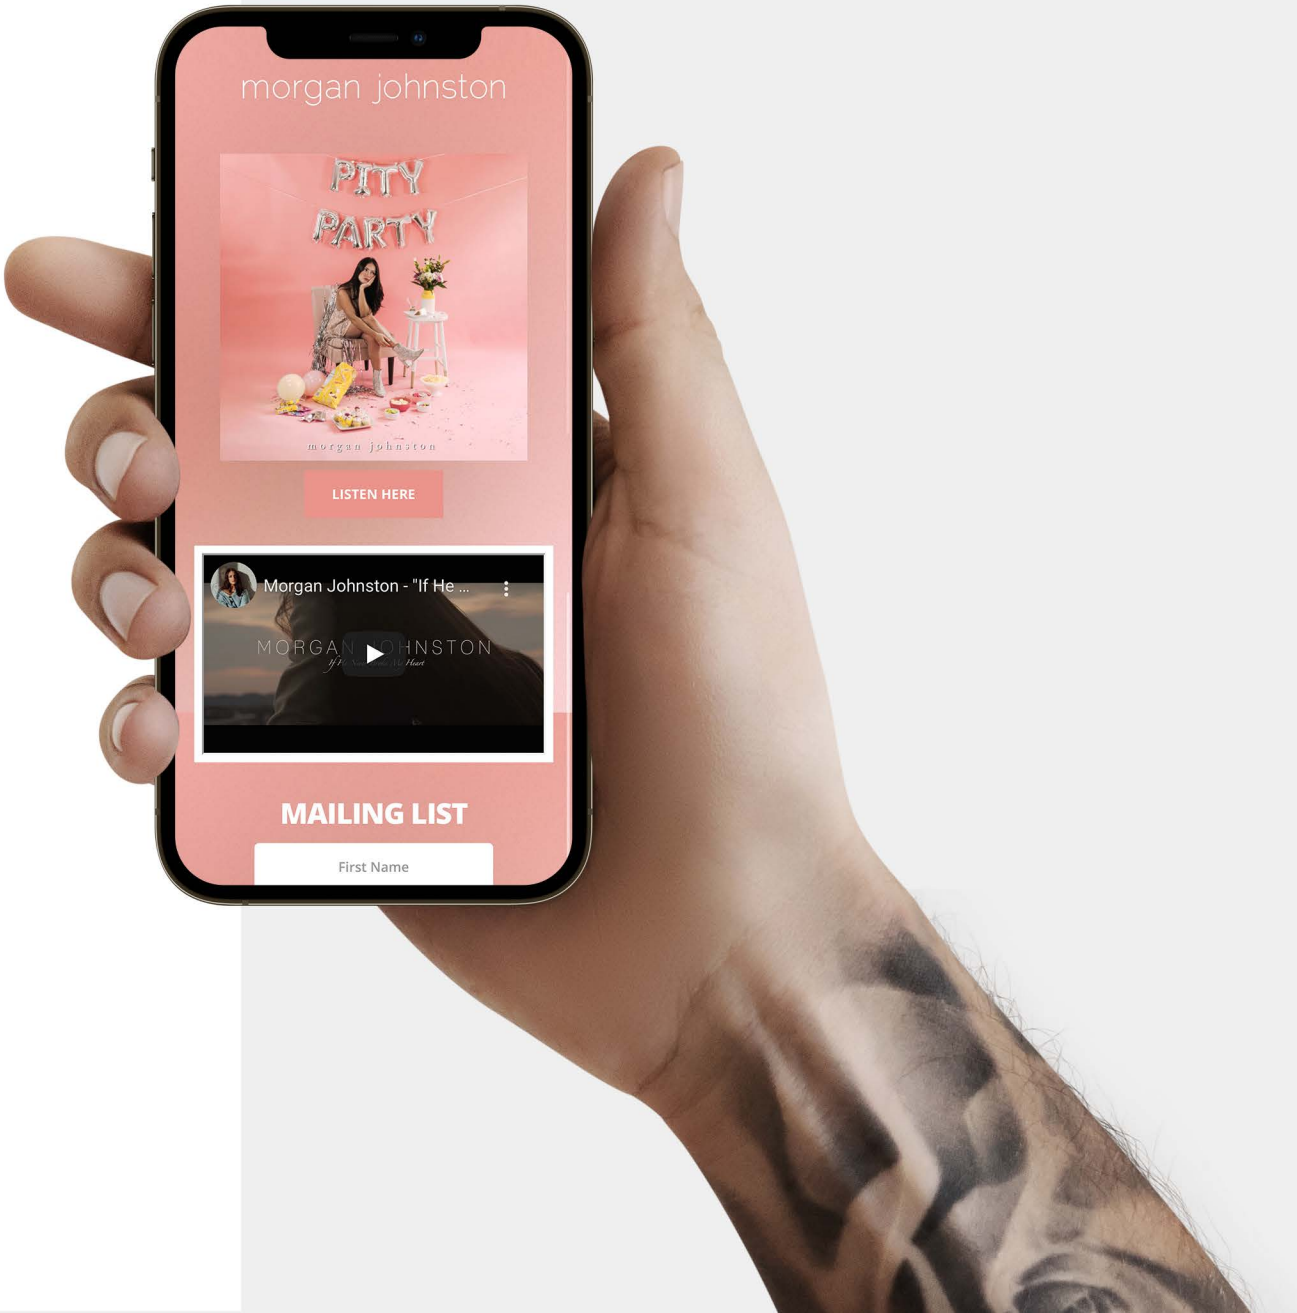
CONTACT US

Introducing

The Opener

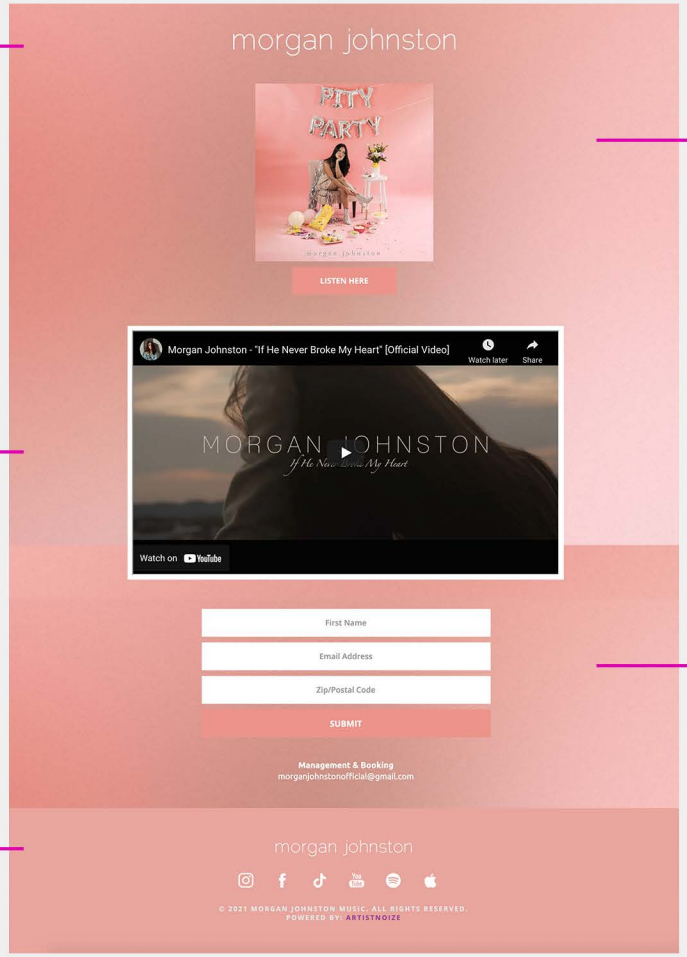
A simple, beautiful landing page.



artistnoize

The Opener

A simple, beautiful landing page.



01

Logo/Background

Logo centered at the top with a background image to match your recent release.

02

Music

Recent single/album cover with a smartlink button that we can create for you.

03

Video

A featured video that we embed from your Youtube channel.

04

Contact

A mailing list form and contact email for booking/mgmt.

05

Footer

A resting place for your logo and social links.

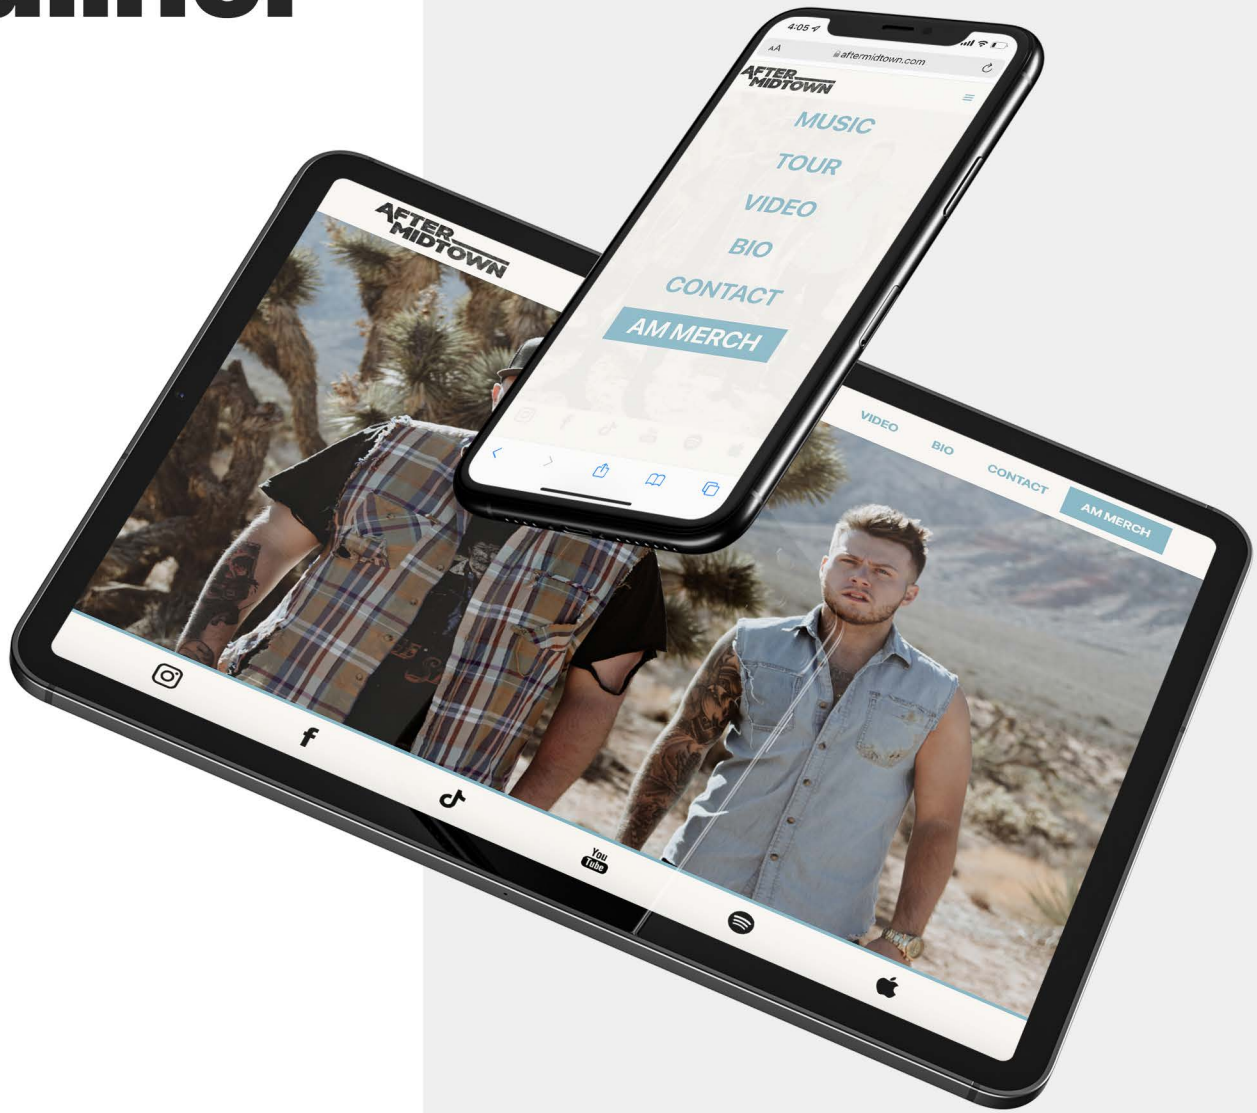
Shows/Tour

We can embed your Bandsintown or Songkick dates, just ask!

Introducing

The Headliner

Our best selling website plan.



artistnoize

The Headliner

Our best selling website plan.

01 Navigation

The navigation will contain your logo and links to all the pages/sections.

02 Image

A wide 1920x1080 image on deskop.
A vertical 1080x1920 image on mobile.

03 Social/DSP Icons

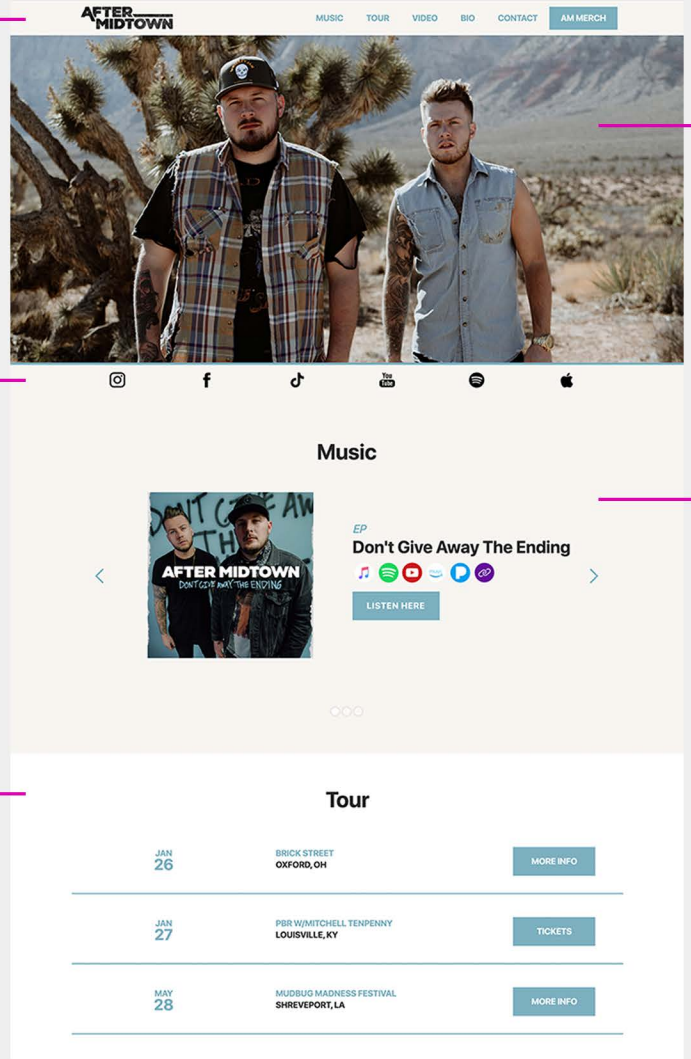
We try to keep this at a total of six.
You pick them!

04 Music

Features the most current release up to as many releases as you would like.

05 Tour/Shows

We use Bandsintown or Songkick widget to display your shows.

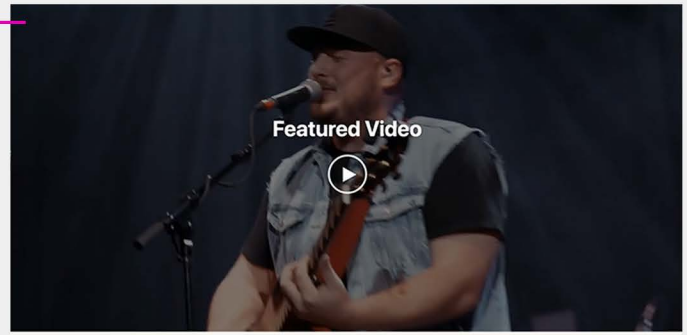


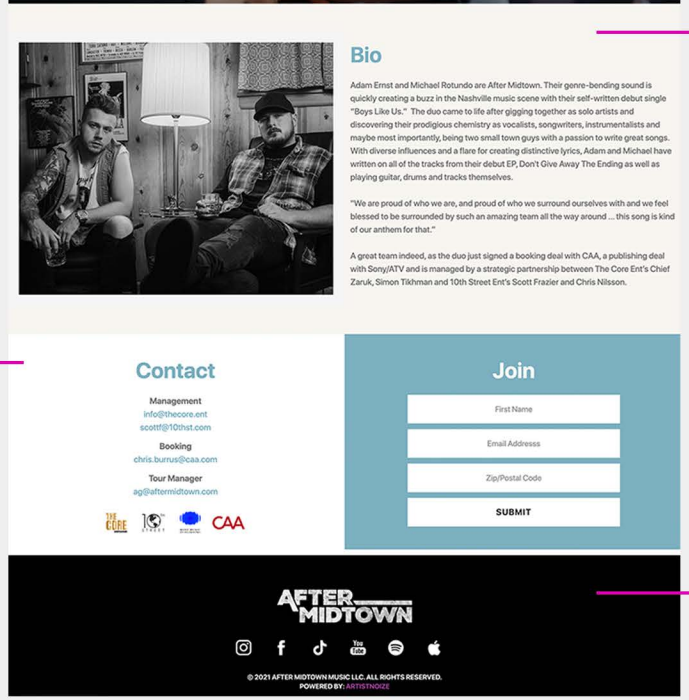
The Headliner

Our best selling website plan.

06 Video

Featured video must be on Youtube or Vimeo. Background video is a gif loop.





07 Bio

We encourage a compact bio. Less is more but we can fit larger bios if needed.

08 Contact

A place for your management and agents info.

09 Data Capture

A mailing list form of your fans/users information.

10 Footer

A resting place for your logo and social links one more time.

Introducing

Custom

Fully custom, built from a blank canvas.

artistnoize

Custom

Full custom, built from a blank canvas.

01 Design Cost

Average custom design cost starts at $1200.
A monthly fee of $150 moving forward.

02 Monthly Fee

The $150/mo fee covers unlimited updates, hosting and maintenance.

03 E-Commerce

We can add an online store thru your Shopify account. Don't have one? Ask us about our Shopify rates.

04 Custom CMS

Want editor access? We can set specific sections for you or your team to update.

A select amount of clients using Custom:
