For a standard 1 gallon slant handle Ring container, the optimal booklet base label size is 4.25" x 5.75"

1. Drag and drop your artwork onto the artboard.

2. If your design has colors/images/shapes that are meant to go to the edge of the label, make sure they extend out 1/16" past the dieline.

3. Keep required elements (text, images, borders, etc.) 1/16" inside the dieline to the safeline.

4. Proceed to booklet.

Label Panel	5.625" x 6.125"
Base Label Dieline	4.25" x 5.75"
Booklet Size	4.25" x 5"
Base Print Area	4" x 4.75"
