Mapping Your Organization

Before you begin the installation process, you need to map out and identify the locations that you would like to monitor in ReVU. The ReVU web application allows you to categorize locations by Campus, Zone, Building, Floor, and Circuit. Campus, Zone, Building, and Floor can be used in any order to create your hierachy.

- Campus
- Building
- Floor
- Zone
- Circuit

INPUT LOCATIONS IN REVU

- Login to ReVU and tap Add page.
- Tap the + icon.
- Name the location (University A, B, or C).
- Select the level (Parent, etc).
- Set the location type based on your organization's structure.
- Save the location.
