

WITHOUT **MAX-D**,
EVERY OTHER
WORD IS JUST...

→ **BLAH
BLAH!
BLAH**

MAX-D IMPROVES
VOICE
RECOGNITION 

MAX-D IMPROVES SPEECH
INTELLIGIBILITY THERE IS
**NO NEED TO REPEAT.
WE HEARD YOU!!**

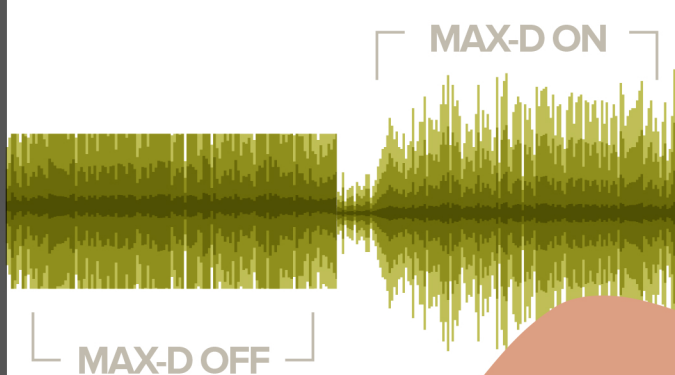

Broken-up conversations
and muffled voices will
become a thing of the past.

HAPPY
PEOPLE
DON'T YELL
IN THEIR CAR

The **MAX-D** process provides
the highest degree of clarity,
comprehension and precision
of the spoken word.

MAX-D: Resynthesizes content
in real-time by rebuilding the
missing audio and restoring the
dynamic range.

**MAX-D MAKES US BETTER
COMMUNICATORS**

**CRYSTAL CLEAR
CALLING IS HERE!**

**ANYWHERE AUDIO CAN
GO SO CAN MAX-D**

All transmitted and broadcast audio is compressed.
MAX-D improves the audio right at the source or destination.

MAX-D IS AUDIO PERFECTED!
