Shade in the site(s) of pain on the anatomical drawing, and rate the severity of each pain on a scale of 1-10:

I have stated, to the best of my knowledge, my known medical conditions. I understand that Bowenwork and massage is given for the purpose of stress reduction, relief from muscular tension and/or spasm, facilitation of circulation and energy flow, and relief from stiffness. I understand that the practitioner does not diagnose illness or disease, nor treat specific physical or mental disorders. I will inform my practitioner of any changes in my condition, and will contact my practitioner should I have any concerns. Payment is due at time of service unless being billed to insurance. If insurance denies payment, I am responsible for payment in full.

**THE BOWEN BODY WHISPERER LLC**  
**PRIVACY POLICY**

ALL INFORMATION IS CONFIDENTIAL. WE MUST HAVE WRITTEN PERMISSION FROM THE CLIENT BEFORE ANY INFORMATION CAN BE COPIED OR SHARED WITH ANYONE.

**TREATMENT & PAYMENT POLICY**

We reserve the right to terminate the session at any time because of, but not limited to: inappropriate behavior, sexual comments or advances, intoxication, infectious conditions (i.e. flu, poison ivy, lice, etc.), or if the client or therapist's health is in danger. We ask that you communicate with the therapist at all times regarding pressure, pain, comfort, etc. The client and therapist both have the right to terminate a session at anytime if they feel it is necessary. If the therapist terminates the session before the scheduled time, the client may be responsible for the full fee. Payment is due at time of service, unless the treatment is being billed to insurance.

**There will be a 25.00 charge for any returned checks.**

**CANCELLATION POLICY**

A cancellation is a lost to both the client and practitioner, however we understand that unanticipated events happen that may require us to cancel our appointments and we want to work with you in any way possible. To make it fair to all our clients and therapist, we have adopted the following policies.

**A 24 hour advance notice is required when canceling an appointment.** This allows the opportunity for someone else to fill your time slot. If you are unable to notify us 24 hours in advance, you will be charged the full amount of what would have been your treatment fee.

If you are past 15 minutes late for your appointment (unless having telephoned us you might be late) it will be considered a "missed appointment" and that time slot will automatically become available for someone else. Depending upon how late you arrive, your therapist will then determine if there is enough time remaining to start a treatment and regardless of the length of the treatment actually given, **you will be responsible for the "full" session.** Any missed appointments will be charged the full fee and future services will be denied until payment is made.

I have read and understand the policies above.
