

Code of Conduct for Parents/Guardians

- Parents / Guardians can play an important role in complementing the work of the coaches
- Parents should help and encourage their children to complete all homework set
- Please note that the club is held responsible for parental conduct at matches
- All children should be registered on time every year to help assist the club in planning for the new season
- Inform coaches of any change in contact details or medical conditions different from the registration form completion
- Make sure children are properly attired, no earrings, jewellery etc.
- Being punctual for training and matches
- Contact coaches if can't attend training or match
- Discuss any medical condition your child may have so the coaches are aware in case of emergency
- Attend games and training when possible
- Respect all players, mentors, officials and the rules of the game
- Parents should not enter the playing area of the pitch unless invited to do so by either the team mentors or the referee
- Parents should encourage the team at all times and refrain from any form of criticism
- Encourage your children to practice their skills, to attend coaching session, to play by the rules, to make friends, to give of their best and to accept winning and losing in the true spirit of sportsmanship.
