Hello,

My name is Bryan Newbold. I saw your post on Facebook and would be interested in being a part of the Marengo park board! I have lived here in Marengo for 2 years and have two young children that will be growing up here. I currently work for the sheriffs department and am a realtor for Keller Williams. If the opening is still available please feel free to contact me.

**Subject:** Marengo Park District - board position

Hello Marty-

My name is Jacqueline Less and I am a resident of Marengo and just purchased my first home on Prairie Street last year in October, although have lived in Marengo since 2017.

I saw your post on FB regarding an open seat availability on the board for the Marengo Park District. I am interested in what this position might entail as I would like to become more involved in the community and feel that I have substantial experience to offer and help improve our great little community. I have been in the commercial real estate industry for a privately owned company as a property manager for the last twenty years and have had many dealings with managing budgets, contractors, property improvements, and dealing with the public in getting these task accomplished.

I truly would be interested to learn more and help our community if I can in any way.

Thank you in advance for your consideration.

Sincerely,

Jacqueline Less

Dear Sirs:

I am writing to express my interest in serving as a member of the Board of Commissioners of the Marengo Park District. My name is Gale Taylor and I have lived in Marengo for 6 years. My husband and I have four children who have attended school in our community and have taken advantage of Park District programming. We have been very involved in the SWTA program and most recently my daughter has directed the program for the past two years. I am very interested in taking an active role in making our Park District a vital part of our community and to encourage our residents to take advantage of the the facilities and programs that are available.

I am a retired nurse with a Master's Degree in Nursing from Loyola University. I have served as a manager to several nursing units at Lutheran General Hospital and have been the Director of Nursing at Orsini Home Health and Melmedica. I feel that I can bring a new voice and fresh eyes to the organization and my attention to detail and creative thinking would be beneficial.

Please let me know what the next steps would entail as I seek this position.

Sincerely,

Gale Taylor
