The incident:

All accidents must be reported to THRSA, and by law, to the Local Police within 24 hours. An AR (accident report) number from the police must be obtained at the time of reporting the incident. This proves that the accident has been registered. Failing to report accidents may void all liability cover and the Renter becomes fully liable for all costs. These can be recorded on the reverse side of the rental pack envelope supplied to you on collection. We also suggest you take a photograph of the driver's licences of the persons involved. An accident report which is provided in the RENTAL PACK, must also be completed. These documents and records of evidence will be submitted to THRSA in order to process the incident.

The vehicle:

The renter is responsible for the recovery of the damaged vehicle to the original rental branch depending on the liability cover option taken. A replacement vehicle will only be dispatched once payment of all damages / recovery costs to the first vehicle is made. THRSA reserves the right to withhold a replacement vehicle; this does not entitle the client to any refund or claims against THRSA.

If the renter requires a replacement vehicle to be delivered, charges will be levied according to the liability cover option taken on the rental.

If the renter is not able/willing to take a replacement vehicle, no refunds for early termination of the contract will be considered.

Should the renter continue with a replacement vehicle, this vehicle will be noted under the current rental contract and standard cover will be applicable.
