

SECURITY SYSTEMS LTD

24th March 2020.

Coronavirus COVID-19 Pandemic Statement:

Dear Customer,

Following the latest update from the Prime Minister, and further specific Government guidance, we have taken the decision to postpone all non-essential work until further notice. We will however continue to carry out essential work where required.

Please note if you have a service appointment booked, this will automatically be put on hold until further notice and re booked when normal business resumes.

As a contracted customer, we will of course continue to support you via our 24/7 emergency service, be that over the phone, or, coming to site when deemed essential.

It's important to note that any contract fees currently due will still need to be paid to ensure continued access to our services and remote monitoring if your system has this in place.

We will be constantly monitoring the position on a daily basis and will update you when the position changes.

Thank you for your continued support during these unprecedented times.

Kind regards,

Andrew, Andy, Phil and Neil.

Directors' Admiral Security Systems Ltd.
