

## Disclaimer

Sailing is an inherently hazardous activity, and although MOSS and the instructor will use their best endeavours to ensure your safety, they cannot be held liable for any loss of damage to your property or personal possessions, or injury or death, however, caused.

The use or possessions of any illegal substances is strictly forbidden. Anyone found to be, or suspected of being, in breach of this regulation will be dismissed from the vessel and reported to the authorities at the first available opportunity. The consumption of alcohol whilst on board the vessel is not permitted without the permission of the Skipper/Instructor. Smoking is allowed on the deck or in the cockpit, but under no circumstances anywhere in the vessel.

We advise you to notify MOSS and/or the Skipper/Instructor of any current, chronic or recurring medical conditions and of the appropriate medication/treatment.

You are responsible for your own medical requirements, treatments and costs including repatriation if necessary.

I confirm that I have read and understand this disclaimer and undertake to be bound by it. I also understand that any failure to follow the terms of this disclaimer may lead to my dismissal from the vessel immediately without notice or compensation.
