WORLD PREMIERE

CARROLL GARDENS

SEPTEMBER 10-
OCTOBER 17, 2016

Davis and Robby were childhood friends, but that was a long time ago. Now Davis lives in Brooklyn far away from his home of Stockton, CA, in all ways. When Robby shows up in New York unexpectedly, his brash nature sparks conflicts among Davis' new circle spurring debates about race, class, and forcing Davis to confront the person he was and to question where his loyalty lies.

KILLADELPHIA

Written and performed by Sean Christopher Lewis.

In 2008 Philadelphia had "more bodies than days." Meet the inmates of Grateford Prison who received their life sentences before they were old enough to drink. A play about crime, the worlds we want to live in and the worlds we really do.

DOGS OF RWANDA

Written and performed by Sean Christopher Lewis.

In 1994 David was a church missionary who followed a woman into the woods along the Rwandan border. 20 years later, after writing a memoir, he is compelled to return after a note arrives: "You didn't tell them everything." Did loyalty to his story obscure the truth he was willing to see?

SEASON NINE 2016 LOYALTY

North Berwyn
Park District's

We feel loyalty to our family, to our heritage, to our homeland. We make pledges to tether us to one another. But as we age we form new alliances. If we leave the place of our upbringing, what happens to these ties that bind? Do our devotions remain? Merriam-Webster writes that loyalty "implies a faithfulness that is steadfast in the face of any temptation to renounce, desert, or betray. "When we recall the promises made in our youth, what of these loyalties from our past are part of who we are today, and which ones were left behind?
