Tents must be weighted down with 30 lb. weights. Vendor locations will be assigned by the North Berwyn Park District and will be available prior to the show. We reserve the right to relocate a vendor when necessary, even after space has been assigned. In addition, the NBPD reserves the right to turn down and limit the number of vendors based on the nature of the services or products sold.

2. Exclusivity: The NBPD does not grant or ensure the exclusive right of vendor to offer for sale any specific item(s) and reserves the right to disallow the sale of any items or services for any reason at the NBPD’s full discretion.

3. Electrical Requirements: Electricity will be provided with a centralized generator for an additional fee of $150 per plug-in, limit two. Vendors may not bring their own generators. Vendor must provide electrical/extension cords and must comply with all electrical codes and requirements. Every attempt will be made to ensure continued electrical service. However, the NBPD will not be held responsible for loss of sales or goods should circumstances beyond our control arise, vendor equipment be deemed faulty or vendor electrical needs exceed provisions named.

Cars will not be allowed on Wesley Avenue until 30 minutes after Fiesta Nuestras Raices ends. Trash containers and centralized dumpsters will be available. Please make sure you bring your own trash bags if your booth will be generating a significant amount of garbage. If you have boxes, please make sure you break them down and dispose of them by the end of the festival. NBPD reserves the right to cancel this agreement at any time without cause.

7. Violation by Vendor of any terms in this agreement or any specific event rules as set forth by the NBPD will render this contract void.
