4. Other Refund Policy Requirements

a) Where a student is deemed not to have met the institutional and/or program specific minimum requirements for admission, the institution must refund all fees paid under the contract, less the applicable non-refundable application or registration fee.

b) Where an institution provides technical equipment to a student, without cost to the student, and the student withdraws or is dismissed, the institution may charge the student for the equipment or use of the equipment on a cost recovery basis, unless the student returns the equipment unopened or as issued within fourteen (14) calendar days.

c) Refunds owing to students must be paid within thirty (30) calendar days of the institution receiving written notification of withdrawal and all required supporting documentation, or within thirty (30) calendar days of an institution's written notice of dismissal.
