Our Mission Statement

The North Berwyn Park District is an autonomous governmental entity established by the residents in 1976 to provide outdoor recreational areas and leisure service opportunities which foster community growth, family values, and enhance the quality of life.

Program Goals

- To provide a quality and affordable extended day program within our district.
- To provide a structured and safe environment in the extended day program within our district.
- To provide enrichment activities for students in the extended day program within our district.

B.A.S.E. Program Overview

The North Berwyn Park District operates and manages the B.A.S.E. program. Students must be enrolled at one of the Berwyn North School District 98 schools to participate in the program. The B.A.S.E. program consists of a before session (7:00 – 8:25am) and an after school session (3:05 – 6:00pm). Registered students may attend either or both sessions.

The Recreation Supervisor manages and oversees the daily operation of the program. The B.A.S.E. program operates at Prairie Oak Elementary School. Parents must notify the child's home school that they will be attending the B.A.S.E. program and give them a schedule of what days the child will be in the program.

During B.A.S.E., the on-site staff lead the students in activities that emphasize teamwork, leadership skills, limited academics, and much more. Appropriate supervision is available for all grade levels while students have the opportunity to build social skills and relationships outside the normal classroom setting.

It is vital that parents/guardians, staff, and students are aware of the policies and procedures in place that allow the program to function smoothly. The purpose of this handbook is to provide a description of policies, program costs, and payment procedures. Please review this information carefully. Failure to follow procedures and policies may result in dismissal from the program.

Questions regarding the operation of the B.A.S.E. program should be directed to the Recreation Supervisor:

B.A.S.E. Program Overview

The Before School Program

The before school program begins at 7:00am and ends at 8:25am when students are released to their home school. All of the children are to be dropped off at Prairie Oak School using the South gym entrance (door closest to the school playground). While in the before school program, students will have time to socialize, have time to themselves, and will be encouraged to participate in physical activity such as warm up stretches and age appropriate games that require movement. This time may also be used to prepare for the upcoming school day including time to finish any homework. Students will be given time to eat any breakfast snack that they may bring from home. At 7:45am the children that attend a school other than Prairie Oak will be bused with staff to their home school via a North Berwyn Park District vehicle and be released into their school's care.

The After School Program

The after school program begins at 3:05pm and ends promptly at 6:00pm. Our program is not simply a longer school day; it is different in structure and in content. We offer a well-balanced program that provides plenty of opportunities for play and social interaction while offering opportunities to improve and encourage learning.

As the students enter the after School program, they will be signed in by one of the staff members and offered a snack. Students may also bring a healthy snack from home if they like. The students will work on their homework until 4:15pm. Students who do not have homework or choose not to do it in the program will be required to engage in quiet time activity such as reading a book, drawing, coloring, etc. at their assigned tables. At 4:20pm B.A.S.E. staff members will lead the children in a variety of recreational activities.

Pick Up Procedure

Parents/Guardians must notify their child's teacher that they will be attending the B.A.S.E. program to ensure that the school staff take your child to the pickup location designated at each school.

Havlicek Elementary School

Students that attend Havlicek Elementary School must meet right outside of the Gym door closest to the main office. Students will be greeted by a B.A.S.E. staff member once they arrive. Students will then be bused to Prairie Oak school.

Jefferson Elementary School

Students that attend Jefferson Elementary School must meet right outside of the Gym door closest to the main office. Students will be greeted by a B.A.S.E. staff member once they arrive. Students will then be bused to Prairie Oak school.

Lincoln Middle School

Students that attend Lincoln Middle School must go directly to the North Berwyn Park District bus that will be in front of the school located on 16th St. between Elmwood Ave. and Gunderson Ave (by the Lincoln statue). Students will be greeted by a B.A.S.E. staff member once they enter the park bus. Students will then be bused to Prairie Oak school.

Prairie Oak Elementary School

Students that attend Prairie Oak Elementary School must meet in the commons. Students will be greeted by a B.A.S.E. staff member once they arrive.

Hours of Operation

- The before school program begins at 7:00am and ends at 8:25am. For safety reasons, students must enter through the Prairie Oak Gym South doors (doors closest to the school playground). All students must be escorted by a parent/guardian. Students are only allowed to sign themselves into the B.A.S.E. program when permission is given on the consent forms. It is the sole responsibility of the parent/guardian to ensure their child arrives safely to the program. Students may be signed into the program between 7:00 and 7:45am
- The after school program begins at 3:05pm and ends promptly at 6:00pm. For safety reasons, all students must be signed out by a parent/guardian or authorized person. Students are only allowed to sign themselves out of the B.A.S.E. program when permission is given on the consent forms. Students may be signed out of the program at any time after 3:05pm.
- Please note that anyone authorized in the consent forms to pick up a participant from the B.A.S.E. program must present a valid government issued ID, including parents. Children will not be released to anyone who is not indicated on the consent forms and/or cannot produce a valid ID.
- If school is cancelled for any reason, the B.A.S.E. program will also be cancelled.
- On early dismissal days, morning care B.A.S.E. will be offered, however afternoon B.A.S.E. will not be held.

Behavior Management

The goal of effective behavior management is to provide positive and proactive approaches to maintain a safe, pleasant environment for children and staff. Supporting and nurturing children to become happy, cooperative participants in the program are integral components of the program. Effective behavior management should:

- Develop self-control and responsibility for one's actions.
- Foster respect for the rights and feelings of others.
- Teach skills for resolving conflicts.

Our goal is to sustain a structured and positive atmosphere achieved through consistent and clear expectations for behavior.

Student Behavior

Appropriate behavior on the part of each child is essential to the success of the B.A.S.E. program and to the happiness, safety, and well-being of all the students.

The following standards have been adopted by the North Berwyn Park District to be used as guidelines for maintaining a safe and productive program environment. Failure to abide by these guidelines will result in disciplinary measures as indicated.

UNACCEPTABLE BEHAVIORS THAT WILL NOT BE TOLERATED

1. Swearing, or offensive language.
2. Disrespectful behavior towards staff and/or other participants.
3. Aggressive behavior such as slapping, punching, kicking, biting, spitting, etc. whether it is initiated or in retaliation to others.

FIRST WARNING - The first offense of unacceptable behavior will result in the parent being notified by staff by phone to discuss the incident. If the behavior occurs again that same day, the parent will be called to remove the child from the program for the remainder of that day and sign a breach of behavior contract. This note will state the unacceptable behavior of the child and will also notify the parent that any recurring incidents may lead to permanent removal from the program.

SECOND WARNING - If a child continues to display unacceptable behavior after a first written warning has been issued, the parent will be called to remove the child from the program and the child will then receive a written note of a second breach of behavior contract. The note will be required to be signed by the parent before the child may be readmitted to the program.

THIRD WARNING - Upon a third warning of unacceptable behavior, the parent will be called to remove the child from the program. A third breach of behavior contract will be issued. The parent will then be asked to attend a conference prior to the child being readmitted to the program. At this conference, the parent will be required to provide an acceptable solution to avoid recurrence of the problem. If an acceptable solution has been agreed upon, the child will be readmitted to the program at the discretion of the executive director. Any further incident will result in a minimum 1 year suspension from the program.

NOTICE - In an extreme case of unacceptable behavior that is threatening to staff and/or other participants, the progressive warnings may be lifted and the child may be immediately removed from the program.

Before School Program Policies

The Before School Program begins at 7:00am and ends at 8:25am when students are released to their schools. Students may be signed into the program anytime before 7:45am.

Sign-in Process

- A parent/guardian/authorized person must accompany the student to the designated Drop-Off location for Prairie Oak School. The drop off location is the South gym door (door closest to the school playground).
- Students are only allowed to sign themselves into the B.A.S.E. program when permission is given on the consent forms.
- After being signed in, the student will remain in the gym.
- A student does not become the responsibility of the North Berwyn Park District B.A.S.E. program until they are signed into the program.

Dismissal Process

Students that attend Havlicek, Jefferson, and Lincoln school will be bused to their home schools and released into their school's care. The B.A.S.E. bus departs from Prairie Oak School at 7:45am. All students will be supervised by the B.A.S.E. staff until they enter their home school.

Reporting Before School Absences

- If a child is not attending in the morning, notice is not required ahead of time.
- If someone other than the parent/guardian/authorized person is signing them into the before school program written authorization is required before the child attends the program.

After School Program Policies

The after school program begins at 3:05pm and ends promptly at 6:00pm. Students are dismissed from their classrooms to the after school program by their teachers. Each school has a designated meeting location (please see pg. 3 for details). Students are expected to bring their books, backpacks, coats, etc., with them to the designated pick-up location. Students will not be able to return to their rooms or lockers for items once they are signed into the B.A.S.E. program.

Sign-Out Process

B.A.S.E. staff members will be provided with individual B.A.S.E. slips that show how many registered days a student has available. Once a student is signed into the B.A.S.E. program a parent/guardian/authorized person will be required to sign them out.

Reporting After School Absences

The after school staff is responsible for a large number of children. The safety and well being of all students is of primary concern. As this is a drop in program it is imperative that parents/guardians notify the school of their child's B.A.S.E. schedule.

- If a child will be absent from the after School Program the parents/guardians must contact the B.A.S.E. supervisor (708-749-4900) before 1:00pm on the day of the absence.
- Parents/guardians should NOT send a note to their child's classroom teacher, as it may not reach the appropriate staff.

Sign-out Process

Parents/Guardians are expected to pick up their children no later than 6:00pm. Children not picked up by 6:00pm will be assessed a late fee (please see below for details). For safety reasons anyone picking up a child must have a valid ID and must be designated as authorized to pick up that child. Students will not be dismissed to anyone not having a valid ID or that is not authorized to pick up. Students are only allowed to sign themselves out of the B.A.S.E. program when permission is given on the consent forms.

Once a student is picked up and signed out of the B.A.S.E. program, they may NOT return to the program.

Late Fees

Any student not picked up by 6:00pm will be assessed a late fee. The late fees are as follows:

- \$5 for the first 10 minutes.
- \$1 for every minute after the first 10 minutes.

Parents/guardian/authorized persons will be required to sign a late notice and receive an invoice for the amount due. Late fees must be paid during normal business hours at the North Berwyn Park District Community Center 1619 Wesley Ave or by calling 708-749-4900 before the student may return back to the program. Please bring your invoice at the time of payment.

Please note that excessive late pick ups might result in the child's dismissal from the program per the Program Supervisor's discretion.

If staff cannot reach parents/guardian or authorized emergency contact by 6:30 pm, there will be no alternative other than to contact the police to handle the matter.

Homework Time

Homework time is scheduled as soon as the students arrive to the after School program and ends promptly at 4:15pm. Although this may not be adequate time for students to complete all homework, if the opportunity is used wisely, it is ample time to complete a substantial amount of work.

Students should bring any necessary supplies to complete their homework daily as it is not possible for the B.A.S.E. staff to provide all the needed supplies for the number of students we oversee. Students who do not have homework or choose not to do it in the program will be required to engage in quiet time activity such as reading a book, drawing, coloring, etc. at their assigned tables.

Considering the number of students enrolled in the program it is not possible to provide one-to-one homework assistance. To meet the needs of as many students as possible, the B.A.S.E. staff will circulate throughout the room during homework time and will assist children as needed. B.A.S.E. staff will provide guidance for homework, but in no way does the B.A.S.E. staff supersede a parent's/guardian's responsibility to check their child's homework. We recommend that parents/guardians review their child's homework nightly.

General Policies

Personal Belongings

Personal belongings (i.e., backpacks, books, coats, etc.) must be taken home each day. Personal property that remains in the B.A.S.E program will be taken to the B.A.S.E. lost and found. The B.A.S.E. staff will attempt to help students stay organized; however, the North Berwyn Park District is not responsible for lost property.

Children are strongly discouraged from bringing toys, cash, games, and electronics to the program. The B.A.S.E. staff is not responsible for any personal belongings brought to the program. Additionally, the North Berwyn Park District will not provide reimbursement for items that may be lost, broken, or stolen. If a personal item is deemed inappropriate for the program setting or becomes a distraction to the program or to other children, staff members may withhold the item from the student and return it to the parent/guardian upon pick-up.

Students are not permitted to use their cell phones while in the program. If a child needs to call their parent/guardian during program hours, they will be allowed use of the Park District phone. If parents/guardians need to reach their child during program hours, they may do so by calling 708-749-4980. Please note this phone is only staffed during program hours.

Chromebooks are only allowed for homework purposes.

Parent/Guardian Concerns

In order to achieve our goals it is important that staff and parents/guardians work cooperatively. We understand that your child(ren) are your highest priority, and that issues that affect them can elicit strong emotions. Please do not hesitate to discuss any issues or concerns directly with the B.A.S.E. Supervisor. The Supervisor is your main point of contact and oversees the program and staff on site.

Parents/guardians should refrain from disciplining their own child(ren) in the B.A.S.E. program setting. Parents/guardians may not have contact with other students and under no circumstance may a parent discipline, interrogate or reprimand another child. Any threat of physical violence toward a child, staff member or another parent, explicit or implied, will be reported to the appropriate authority and may result in the child's dismissal from the program. While we welcome open discussion regarding any concerns about our program, respectful speech and behavior is expected at all times.

Parent/Guardian Communication

At times it may be necessary for parents/guardians to communicate information to both the school and the B.A.S.E. program. This may result in parents/guardians contacting both the school and the program staff. School staff is not responsible for communicating messages to the program staff and vice versa. A clear communication process is of utmost importance in order to provide parents/guardians and students with the safest and most efficient program.

For information on fees, policies or procedures that are not outlined in this book, please contact the B.A.S.E. Supervisor.

Suggestions for improving the program are always welcome and will be considered.

Health & Safety

We take the responsibility for the health and safety of all children very seriously.

In accordance with state laws firearms are prohibited on school grounds.

Any pertinent medical information must be provided during the registration process so that we can safely attend to your child. The B.A.S.E. Supervisor should be notified immediately in writing any time there are changes to a student's medical condition.

If a student is sent home sick during the regular school day, they are ineligible to attend the B.A.S.E. program on that day. If a child becomes ill while at the program, a quiet area will be provided where the student can rest while the B.A.S.E. staff calls the parent/guardian or an authorized person to provide transportation home. To ensure the safety and health of all the students in the program, parents/guardians are asked to make every effort to provide transportation home as soon as possible if a child becomes ill during the B.A.S.E. program hours.

If a student is taking medication, parents/guardians are required to fill out proper dispensing of medication forms. Forms can be picked up upon request at the North Berwyn Park District Community Center 1619 Wesley Ave.

The staff will provide first aid for minor injuries. Parents/guardians will be contacted if there is a more serious injury. However, if immediate medical attention is required, the staff will call 911 and notify the parent/guardian immediately.

COVID Specific Health & Safety Information (subject to change)

The safety of students and staff is our top priority and we take this responsibility very seriously. Our safety protocols and policies follow local county and state rules and incorporate the latest recommendations from the Centers for Disease Control and Prevention (CDC).

Policies and procedures are subject to change as guidance evolves to fit the current situation. Registered families will receive updated communications from the North Berwyn Park District of any changes to any policies.

- Students must wear their face masks covering both the nose and mouth at all times.
- Participants must maintain a distance of 3 feet between themselves and other participants at all times.
- Students must bring a clean, properly fitting mask from home to wear.
- It is encouraged that you child is given extra masks in case one becomes damaged or soiled.
- Participants must bring a refillable water bottle to the B.A.S.E. program each day. Students will have opportunities to refill their bottles during program hours.
