Community Design Studio Presents

Design with Nature

a Leadership by Design camp

- Get outside on the grounds of Latino Community Services and develop new design + build skills during this week-long camp.

- Experience local and global ecology, mapping, and nature.

- Collaborate with LCS leadership, local landscape architects, urban planners, and graphic designers as we test prototypes that welcome visitors and connect neighbors to the outdoors.

- Experiment with art, natural materials, digital media, power tools, and interactive elements.

- Earn digital badges to boost your resume.
