

ServiceM8 Partner Program

We believe in small business and we truly believe that ServiceM8 can help small businesses thrive. If you have clients who are overwhelmed with work and you think ServiceM8 could help them, then you should become a ServiceM8 partner.

As a ServiceM8 partner you will get access to new customers and earn revenue by providing consultation, training and support and template creation services. In addition, you can earn up to 20% ongoing revenue share for connected clients and \$100 for any customers that you refer to ServiceM8.

Benefits of partnering with ServiceM8:

- New revenue streams through providing consultation, training, setup and support.
- Receive priority support from our support team.
- Access to free promotional materials.
- Your business will be promoted to our customers.
- Exposure on our partner directory.
- Earn up to 20% ongoing revenue share for connected clients.
- Receive a one off \$100 bonus for referred customers.
- Provide your customers with a great solution that will change the way they do business.

How to get started:

1. Create a partner account at www.servicem8.com/partners
2. Setup account with basic details.
3. Familiarise yourself with ServiceM8.
4. Join the Partner Program through the partner portal.
5. Complete the certification.

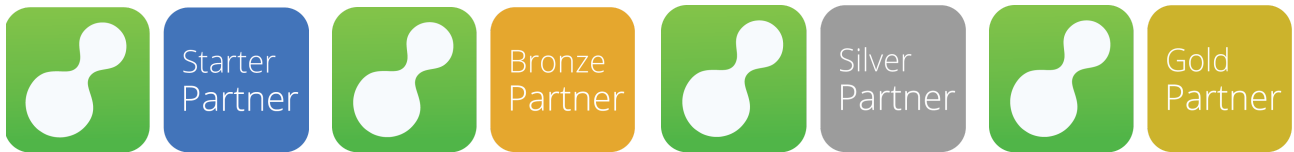

That's it, you're now a certified partner. The next step is to increase your status points by completing training, bringing on clients, and creating a ServiceM8 landing page.

Partner Status Levels

Your partner status level is determined by your total status points. Status points are earned by:

- Connecting clients
- Completing training
- Implementing a landing page

As you status level increases you earn exclusive benefits and increased revenue share.
