

PATTERN TAKES PART AT THE AIM CONFERENCE IN LONDON

Turin, October 18, 2019 - **Pattern SpA** (AIM: PTR) an Italian company among the most important operators in the design, engineering, development, prototyping and production of clothing lines for the most prestigious exclusively top world brands, will be present at the AIM Italia Conference 2019 in London, scheduled for Monday 21 October 2019.

The event is dedicated to companies listed on the AIM Italia market, which will illustrate future strategies and projects, during one to one meeting to be held with international institutional investors.

The event will be attended by the CEO, Luca Sburlati and Investor Relations Sara De Benedetti who will meet 13 international institutional funds.

On this occasion, the Management will present, in particular, the 2019 half-year results that highlighted an important acceleration of the Company's growth, with Revenues, EBITDA and EBIT increasing by double digits compared to the same period of 2018. Furthermore, the strategies of growth of the Company and the business model.

About Pattern Group:

Pattern is a leading company in the design and production of fashion shows for the most important international luxury fashion brands. The company, which has more than tripled consolidated revenues in the last 6 years, now exceeding 40 million euros, is SA 8000 / Social Accountability certified, confirming the choice to invest in technologies, innovation and human resources. Since 2014 the company has also been the owner of the Esemplare brand dedicated to urbanwear and, in 2017, signed an agreement, which was then concluded in 2019, for the acquisition of Roscini Atelier Srl, a leader in modeling and production of the women's segment, to give further strength to a structured and integrated growth process.
