LABEL
SOLUTIONS

TAGIT PRODUCES
EVERY TYPE OF EM LABEL
COMPATIBLE WITH
ANY EM SYSTEM IN THE
MARKET.

Tagit developed and owns the technology of label production from raw material to finished product. The entire manufacturing process is done in-house - from casting the metal and all the way to printing a customer logo on a desired label.

Here you will find the labels for your application by compatible systems.

STANDARD LABELS

LABEL | 90 x 10 mm
Suitable for: 3M, Centry, Certus, Chinese Systems, Dialoc, Gateway, Knogo, Sensormatic, Tagit
Glue placement: one sided
