Transforming More Than Smiles

A Brighter Way Event

November 7 – 28, 2020

Dear Friends,

My thanks for joining me in Brighter Way's "Transforming More Than Smiles" Celebration. You remain in our hearts and this event is an opportunity to stay in touch.

Throughout this global challenge, Brighter Way has served over 5,000 individuals. We continue to provide urgent, emergency, and comprehensive oral health services, addressing chronic disparities confronting low-income families and children, homeless individuals, and veterans. Proceeds from our Event will ensure we continue dental care. Thanks for all you do.

With love to all,

Kris Volcheck
