

Dear Valued DECO Patients,

We are writing to inform you that after providing 15 wonderful years of patient care at the Diabetes and Endocrinology Center of Ohio (DECO), Dr. Jennifer Rittenberry will be leaving our practice as of April 30, 2021. Dr. Rittenberry will be transitioning her career out of clinical practice and will become a medical consultant in the pharmaceutical industry.

We will be bringing on a new Endocrinologist to the DECO team in the near future. In the interim, we appreciate your patience as we make every effort to continue to provide our patients with top notch endocrine care. In the event that you would like to transfer to another endocrine practice, please kindly notify the office via our patient portal, or by sending in a mailed written request, or by emailing us at [frontdesk@decowebsite.com](mailto:frontdesk@decowebsite.com) or [nurse@decowebsite.com](mailto:nurse@decowebsite.com).

A records release can be found under the patient forms section of our website.

Thank you so much for your support and understanding!

Sincerely Yours,
