

142K MOBILE RIGLESS HWU

A reliable, fully mobile unit that comes complete with an optional 10K primary BOP, 10K pump and internal BOP guides for high pressure situations.

Become more efficient and cut your exposure with an innovative snubbing approach. Our guided rigs manage high pressure, eliminating the risk of buckling by reducing the ID of the pressure chamber and supporting the tube above it for full jack strokes.

BENEFITS

Dual handling winches

Built-in gin pole

Dual motor rotary

Proprietary tubing handling system for efficient trip times
