## What is the ERA Pledge?

The ERA Pledge is aimed at improving gender diversity in arbitration and has two objectives:

- (1) to improve the profile and representation of women in international arbitration; and
- (2) to increase the appointment of women on arbitral tribunals on an equal opportunity basis.

The ERA Pledge Corporate Subcommittee has produced a set of Guidelines for Corporates, which can be accessed **here**.

Members of the Corporate Subcommittee can be found on the website **here**.

More information about the ERA Pledge and the Corporate Subcommittee can be found on its **website**.
