Annual PREA Report for 2017

The purpose of this report is to serve as documentation regarding compliance with the Prison Rape Elimination Act (PREA) Community Confinement Standards 28CFR Part 215.213 and North Dakota Adult & Teen Challenge's (NDATC) PREA Manual.

This year we had only one PREA report, for student on student sexual harassment. It was investigated by the program director (a certified PREA investigator) and determined to be unfounded.

If you have any questions about this report, please contact me at (701) 667-2131.

Sincerely

Phil Wolverton
Executive Director/PREA Coordinator
