## SERVICES

### ➤ Repair

24 hours a day, 7 days a week and on an emergency basis, we are available to take your call to come out and repair your garage door. There are many reasons you would need to give Garage Door Mart Inc. a call. We can tune up your garage door, replace window panels, repair broken torsion springs or extension springs, repair broken cables or drums, as well as replace any brackets, rollers, struts, bearings or hinges. **Is your garage door off track? Does your roll-up garage door stop before fully opening?** These are common issues we can quickly solve for you. You will always get a full inspection, quote before contract, and super cheap garage door repair!

### ➤ Installation

If it's time to brighten up the exterior of your home or commercial building, consider getting a new garage door. Most broken garage doors can be fixed without a total new install, however, installing a garage door isn't just for fixing, it's also for increased curb appeal.

### ➤ Parts

Whether you want do-it-yourself (DIY) tips on how to repair or install a garage door or hire one of our excellent servicemen, Garage Door Mart Inc. carries quality parts for the job. We have tons of models of LiftMaster® for garage door openers as well as universal keyless entry accessories and remote controls. We also carry Amarr®, Clopay®, and C.H.I. ® brand doors that are highest in safety, beauty and durability.

### ➤ Design

We use innovate and cutting-edge software that aids in finding a new door for your home or office. You start by selecting your door size so be sure to read through the [how-to article](#) to learn how to measure for your new garage door. Then you'll be able to upload a picture of the outside of your home where the door will be placed, choose the model and construction of the door as well as the panel and window design. Finally, you can pick out the color and decorative hardware for your new garage door.

*We take garage door installation in Aurora, IL to the max and can truly say we are the best in the business!*
