barnehagen@imikirken.no

Home page: www.imikirken.no – look for Åpen barnehage

IMI Open Kindergarten is a Christian kindergarten for children between 0-6 years. This is a stay and play facility where parents/carers stay with their children. There are no waiting lists or need to sign up. Just pop-in between 9.30-13.30 from Monday-Thursday.

The parents are responsible for their own children and must accompany them at all times.

It is important that you register upon arrival at the kindergarten.

The registration area is in the hallway.

Please sign out when leaving the kindergarten. This is important in case of emergency / fire.

We have a daily singing session at 10:45.

The parents accompany their children during the session. The children sometimes get restless.

If your child becomes too unsettled, please take them to another room out of consideration for others.

Laffen joins
the singing

We eat lunch together, so please bring your own food. We offer coffee, tea and water. We have some common rules to make meal times pleasant for everyone. We prefer that everyone eats at the same time, just after the singing session. We eat at the tables. Everyone clears up after themselves by collecting any rubbish, wiping the table and sweeping the floor.

We provide fruit for the children every day at 13:00.

There are changing facilities in the toilets. You will need to bring your own nappies/diapers, wipes etc.

We will need some information about you in case of emergency. Please fill out our form with the names and phone numbers of your next of kin.

Everyone is responsible for their own belongings. Please leave valuables and toys at home.

No outdoor shoes are permitted in the kindergarten so consider bringing slippers or indoor shoes. Black soled shoes are not allowed in the gym.

We do not have any outdoor facilities but we do have a great sports hall for running around in. Take care not bump into anyone!

If your child is not well we ask that you do not bring them to the kindergarten.

Please let us know if you find any faulty toys or equipment so that we can dispose of them and maintain a safe environment.

We have some parenting books that we loan out. They are mostly in Norwegian, but we have some in English too.

Follow us on Facebook(IMI Åpen Barnehage). Welcome!
