

Classworks is Your Comprehensive RTI Solution

Support at every tier. Your teachers will thank you!

- ✓ Assessments to screen and measure growth
- ✓ Actionable reports to inform
- ✓ Meaningful instruction at every tier
- ✓ Easy-to-use Progress Monitoring

Classworks RTI Solution includes valid assessments, a rich curriculum, and powerful reports--integrated under one easy-to-use interface.

Give your teachers the capacity and the resources to make interventions successful. Let Classworks do the heavy lifting!

Screening and high-quality instruction for all students

Classworks assessments measure readiness for grade-level instruction, track learning gains, and monitor rate of learning among peers. They are specifically designed to identify students who may need intervention.

Research-based Curriculum: Help all students build the critical thinking skills they need to be college and career ready with rigorous, standards-based reading and math instruction.

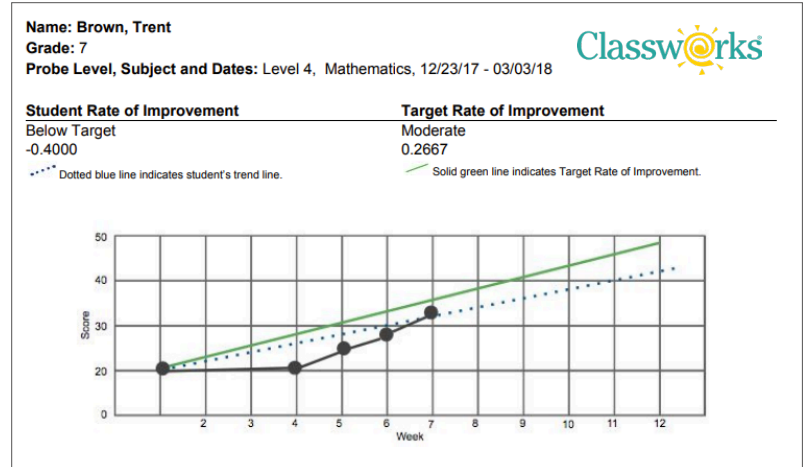

- ✓ Math problem-solving activities for K-8
- ✓ Tools to show math comprehension
- ✓ Critique and precision problems
- ✓ Built-in differentiation
- ✓ Lexile-leveled reading passages for 1-8
- ✓ Support close reads
- ✓ Text-dependent and constructed-response questions
- ✓ Tools to analyze text for deep comprehension

Progress monitoring and individualized interventions

Classworks Progress Monitoring pairs Curriculum-Based Measurement (CBM) probes with tools to track progress and easy-to-read reports.

- ✓ CBM gold-standard accepted methodology
- ✓ Curriculum Sampling CBMs measure content, concepts, and problem-solving
- ✓ Intuitive interface makes it easy to administer and turn on and off
- ✓ View student progress live or print reports for documentation

Individualized Learning Paths: Use student's assessment results to automatically prescribe instruction matched to their specific needs!

- ✓ K-8, ELA, and math assignments separate from tier 1 instruction
- ✓ Assignments focus on concepts in direct response to students' demonstrated needs
- ✓ Use a Classworks assessment or one from our nationally-recognized partners
- ✓ View data in real time to track progress and alter interventions

Intensive interventions and increased supports

With Classworks students are always working on the exact skills they need to grow. In addition to automatically individualized assignments, teachers can easily create custom lessons to address skills requiring more focus.

- ✓ Search instruction by skill or standard to customize a student's learning plan
- ✓ Easily increase frequency of progress monitoring
- ✓ Make informed decisions with reports that show mastery and progress
- ✓ Students can work on Classworks anytime, anywhere making increased instructional time achievable
