

# Classworks Navigator

In-person professional learning

Each Classworks Navigator session combines product training, instructional strategies, and classroom technology best practices. Our certified trainers deliver seminars, workshops, and coaching in person to help you navigate Classworks successfully.

Sessions can be half- or full-day blocks and accommodate up to 25 participants per session.

Available Sessions		
Classworks Kickstart	Kickstart success with Classworks with everything you need to know to start individualizing learning for your students. Leave this training with an understanding of what Classworks is, how, when and where you will use it, and the types of support you have to succeed!	New Users
Use Student Data for Informed Decision Making	Understand your Classworks data: Where to find it, how to analyze it, and, how to use it to guide decision-making. Understand the variety of data Classworks offers, and how to use it to conference, monitor, and make instructional adjustments that will drive growth.	Active Users
Effective and Efficient Progress Monitoring	Understand how Classworks Progress Monitoring fits into your tiered intervention program. Leave this training with a knowledge of how to easily administer Progress Monitoring and analyze the results to determine what is or isn't working with a student's intervention.	Active & Advanced Users
High Stakes Success Prep with Classworks Reading and Math	Use Classworks Classroom Reading and Math lessons to support teaching your grade-level standards and prepare students for their end of grade test.	New & Active Users
Classworks Coaching	Perfect for advancing your use of Classworks with tailored coaching on a variety of goals, including Q&A sessions, coaching on conferencing and motivational strategies, and training on specific features. Coaching provides flexibility to engage with an expert one-on-one or with a small group of teachers, during planning periods or even in the classroom with students.	Active & Advanced Users
Set the Vision for Classworks Success Leadership Workshop	School and district leaders play a vital role in quality and fidelity of implementation. During this workshop you will create a Success Plan that outlines what success looks like for teachers and students using Classworks in your school. Leave with a formal plan to share with stakeholders.	Site & District Leaders
Tailored Support for Advanced Users	A Classworks expert will work with your team to prepare and deliver a workshop tailored to the experience of the group and your school or district's expected outcomes for use of Classworks.	Advanced Users
