

# Assessment District Report

Reporting Period: 2020 - 2021

## **ASSESSMENT COMPLETION**

**Filters:** Filter by school, grade, subject, and testing window.

### **Assessment Percentage by School**

The tree chart shows the number of students who have completed an assessment divided by the number of students in each school.

## **ASSESSMENT GROWTH**

**Filters:** Filter by school, grade, subject, and assessment type.

### **Average Assessment Score**

This graph shows the average assessment score for students in the fall, winter, and spring windows. Use the filters to choose the Classworks Screener or Benchmark assessment.

### **Tier Chart**

This chart shows the percentage of students in Tier 1 (>25%), Tier 2 (10% - 25%), and Tier 3 (<10%) for the fall, winter, and spring testing windows for the Universal Screener. Number of students in each tier are displayed along the right side of the triangle.
