

## Report for Audrey Alexander

08/24/2021

Fall (07/01/2021 - 11/24/2021)

Reading - Grade 5

### What is Classworks Universal Screener?

The Universal Screener is an academic assessment that identifies readiness for on-grade level instruction. Audrey has recently taken the Classworks screener at school.

### Overall Performance

Average Readiness: 339

Test Date	Support Level	Overall Score	Percentile Rank	GLE
08/12/2021	 Urgent Intervention	339	9th	3

Audrey's score indicates additional testing for dyslexia is recommended based on these results.

### Domain Performance

Domain	Scaled Score	GLE
Grammar/Usage/ Mechanics	230	1
Reading	320	2
Word Analysis	340	3

**Scaled Scores** provide a single, consistent way to measure student growth from year to year. The scaled score reflects both overall growth and domain specific growth over time.

**Grade Level Equivalency (GLE)** is based on your student's level of performance overall and within each domain. GLEs can also be used to guide student groups and small group instruction
