ENDURANCE  
DEALER SERVICES

### VEHICLE PROTECTION

Endurance pays the mechanic directly for your auto repairs, including all parts and labor.

### ACCEPTED ANYWHERE

Endurance protection plans are accepted by any licensed repair facility nationwide.

### RENTAL REIMBURSEMENT

If you're in need of a rental vehicle due to covered repair work, Endurance will provide rental coverage with no deductible for up to 5 days at \$40 per day.

### FREE TOWING

Endurance plans provide Sign & Drive towing at no cost for the first 25 miles.

### INCREASED RESALE VALUE

If you sell your vehicle, the remaining Endurance coverage can be transferred to the new owner, allowing you the possibility of a higher resale price.

### ROADSIDE ASSISTANCE

- 24-hour roadside assistance
- Flat tire change
- Vehicle jump start
- Lockout key recovery
- Emergency fuel, oil or coolant delivery

### TRIP INTERRUPTION

If your vehicle breaks down due to a covered component, and you're more than 100 miles away from home, Endurance will reimburse you for your meal and/or lodging expenses for up to 3 days at \$150 per day.

All services are subject to maximum reimbursement limits. Coverage may not be available in all states, please see your service agreement for all details. Restrictions & limitations may apply. Please see contract for complete details.

## STANDARD REPAIRS CAN QUICKLY TURN IN TO HUGE OUT-OF-POCKET EXPENSES!

With time and mileage, repair or replacement of standard parts is inevitable. And, once your manufacturer's warranty expires, you're responsible for paying the full cost of those repairs!

Our **cost-effective Essential Care Coverage** provides strong component protection for the things that ensure your vehicle runs smoothly and your passengers ride comfortably.

Simple, affordable and effective, **an Essential Care plan is the smart way to minimize your out-of-pocket expenses and keep you on the road!**

This brochure is for illustration purposes only. Please refer to your Service Agreement for complete component/parts listings, and coverage details for ALL plans, options and benefits. All Essential Care Vehicle Protection Plans are administered exclusively by Endurance Dealer Services LLC.

# ESSENTIAL CARE PLANS

Day 1 Coverage ■

Any Mile - Unlimited Miles ■

No Exclusion for Wear & Tear ■

"A" Rated / Fully Insured ■

## LEVEL 1

**ENGINE – Gas/Diesel:** All internally lubricated parts. Crankshaft and bearings, camshaft, camshaft bearings, connecting rods, distributor drive gear, exhaust manifold, internal timing gears or chain/belt, oil pump, pistons and rings, rocker arm assemblies and push rods, valve guides, valve lifters, and wrist pins. The engine block and cylinder heads are covered only if damaged by an internally lubricated part.

**ENGINE – Rotary:** All of the above listed parts plus rotors, rotor chamber, rotor seals, eccentric shaft and bearings.

**TURBO/SUPERCHARGER:** Factory installed turbocharger or supercharger, including housing and all internal parts.

**TRANSMISSION, TRANSAXLE & TRANSFER CASE (4X4/AWD):** All internally lubricated parts contained in the housings; and torque converter. Case housings are covered only if damaged by an internally lubricated part.

**DRIVE AXLE ASSEMBLY – Front & Rear:** Axles, axle bearings, constant velocity joints, internal transaxle seal, pinion bearings, ring and pinion gears, carrier assembly, side carrier bearings, thrust washers and the drive axle housing. The drive axle housing is covered only if damaged by an internally lubricated part. *(Available with surcharge on 4x4/AWD).*

**ELECTRICAL COMPONENTS:** Alternator/generator, front and rear wiper motors, and starter motor.

**FUEL SYSTEM:** Fuel pump.

**STEERING:** Control valves, bearings and shafts, pump assembly, rack and pinion, and steering gear box.

**SEALS & GASKETS:** Seals and gaskets for any of the above stated components are covered only if required in conjunction with an authorized covered repair.

## LEVEL 2 | Includes the parts listed under Level 1, plus the following:

**AIR CONDITIONING (Factory Authorized Only):** Blower motor, compressor, condenser, evaporator, expansion valve, receiver drier, and hot water valve.

**ELECTRICAL COMPONENTS:** Distributor, electronic level control compressor including its sensor and limiter valve, electronic fuel injection sensors and injectors, electronic ignition module, manually operated switches, power window motors, power mirror motors, power seat motors, power door lock actuators, rear window heating elements, starter solenoid, and voltage regulator.

## LEVEL 3 | Includes the parts listed under Level 1 and Level 2, plus the following:

**BRAKES:** Compensating valve, disc brake caliper, hydro boost, master cylinder, metal brake hydraulic lines and fittings, power brake cylinder, vacuum assist booster, and wheel cylinders. The following ABS components are covered: Accumulator, electronic control processor, hydraulic control unit, hydraulic pump/motor assembly, isolation dump valve, pressure modulator valve, and wheel speed sensors.

**FRONT & REAR SUSPENSION:** Upper and lower control arms, control arm shafts and bearings or

bushings, upper and lower ball joints, torsion bars and mounts or bushings, stabilizer bars, links and bushings, radius arm and bushings, struts, strut bearing plates, wheel bearings, spindle and spindle support. Variable dampening suspension: compressor, control module, actuator, solenoid, height sensor, and mode selector switch.

**COOLING SYSTEM:** Engine cooling fan and motor, fan clutch, heater core, radiator, serpentine belt tensioner, thermostat, and water pump.

**SEALS & GASKETS:** Failed seals and gaskets on all listed components are covered. However, minor loss of fluid or seepage is considered normal and is not considered a FAILURE. (Seals and gasket coverage included only on Vehicles with less than 125,000 miles at time of sale).

## COVERAGE ADD-ONS:

**COMMERCIAL USE OPTION:** Available with surcharge on cars, trucks and vans used for: farming or ranching, pushing, pulling, or hauling material of any kind, route work, job site activities, service or repair work, or has been issued commercial plates in the state in which it is titled, or advertises a commercial enterprise with signage on said Vehicle. Vehicles used for snow plowing must be equipped with factory authorized snow plow package to be eligible for Commercial Use coverage. Usage must not exceed manufacturer's ratings and/or limitations.

**SEALS & GASKETS OPTION:** Available with surcharge on Levels 1 and 2 (included on Level 3). If you select this option, failed seals and gaskets on all listed components are covered. However, minor loss of fluid or seepage is considered normal and is not considered a FAILURE. (Seals and gasket option available only on Vehicles with less than 125,000 miles at time of sale).

**TIRE MODIFICATION/BODY OR SUSPENSION LIFT OPTION:** Available with surcharge on vehicles equipped with oversized tires or body or suspension lifts at the time of vehicle purchase. The maximum increase for a body/suspension lift combined cannot exceed 6" inches. The maximum tire height modification allowed is 4" inches in overall diameter larger than the manufacturer's specifications.
