EXCESS WEAR & TEAR COVERAGE UP TO \$5,000!

Leasing a car SHOULD be a carefree and enjoyable alternative to the responsibilities of auto ownership.

Unfortunately, lease agreements hold YOU financially responsible for the condition of your vehicle's interior and exterior at the time of turn in.

Over a half billion dollars in excess wear & tear charges are assessed to lease holders annually!

With Excess Wear & Tear Protection from EDS, you can plan ahead and ensure you don't pay those expensive charges at the end of your lease!

Auto insurance pays for certain types of damage to your vehicle. **However, your auto insurance does not pay for excess wear and tear – YOU DO!**
