

VALUE-ADDED, PEACE-OF-MIND ADDITIONAL PLAN BENEFITS

ENDURANCE
DEALER SERVICES

YOUR PERSONAL ASSISTANT

All plans 12 months or longer include 24/7 access – from anywhere in the world – to Your Personal Assistant for the life of your contract!

EDS CONNECT APP

Utilize our app to contact Claim Support, reach live Personal Assistant services, look up your contract, request roadside service with live GPS tracking to your location, and much more!

VEHICLE PROTECTION

Endurance pays the mechanic directly for your auto repairs, including all parts and labor.

ACCEPTED ANYWHERE

Endurance protection plans are accepted by all licensed repair facilities nationwide.

TRIP INTERRUPTION

If your vehicle breaks down due to a covered component, and you're more than 100 miles away from home, Endurance will reimburse you for your meal and/or lodging expenses for up to 5 days at \$200 per day.

ROADSIDE ASSISTANCE

- 24-hour roadside assistance
- Flat tire change
- Emergency battery charging service
- Lockout key recovery

RENTAL REIMBURSEMENT

If you're in need of a rental vehicle due to covered repair work, Endurance will provide rental coverage reimbursement with no deductible for up to 5 days at \$50 per day.

FREE TOWING

Sign & Drive towing (to the selling dealer) up to 50 miles or to the nearest qualifying repair facility.

INCREASED RETAIL VALUE

If you sell your vehicle, any remaining Endurance coverage can be transferred to the new owner, allowing you the possibility of higher resale value.

STANDARD REPAIRS CAN QUICKLY TURN IN TO HUGE OUT-OF-POCKET EXPENSES!

With time and mileage, repair or replacement of standard parts is inevitable. Once your manufacturer's warranty expires, here's what you can expect to pay (on average*):

DRIVE BATTERY	\$9,898
DRIVE MOTOR	\$7,910
POWERTRAIN MODULE	\$6,418
TRANSAXLE.....	\$4,623
ABS MODULE	\$1,760
FRONT AXLE.....	\$767
ELECTRIC WATER PUMP	\$712
ELECTRIC POWER STEERING MOTOR	\$646

Plan for the future now and drive worry-free with Apex Electric Vehicle Protection! We make it easy to enjoy comprehensive coverage, offer a variety of terms to meet your unique needs – and include great benefits you can use everyday!

*Parts pricing listed in above is based on average of actual repairs at retail rates for parts and labor. Actual repair cost may vary by vehicle, repair facility, location and/or state.

“A” Rated / Fully Insured ■

APEX EV

EXCLUSIONARY COVERAGE

WITH MORE & MORE EV MODELS LAUNCHING EVERY YEAR, IT'S CLEAR THE ERA OF ELECTRIC VEHICLES HAS ARRIVED!

You're going green and making a great investment in the future! But, even with rebates and government-approved tax credits, it can still be quite expensive.

To help minimize your future out-of-pocket repair expenses, and ensure you enjoy worry-free driving for years to come, we've created a vehicle service contract exclusively for environmentally-conscious EV owners – like you.

We make it cost-effective to protect your vehicle and, should you experience a breakdown to a covered part or component, you'll only have a low \$100 deductible!

This is a general outline of coverage for marketing purposes only and does not constitute your contract. Actual terms and conditions may vary by state. See your contract for complete provisions, exclusions and limitations. All Apex Electric Vehicle Protection Plans are administered exclusively by Endurance Dealer Services LLC.

Enjoy maximum protection against costly repairs due to mechanical breakdown of manufacturer installed parts with our comprehensive Apex Electric Vehicle coverage!

This exclusionary plan is so extensive, it protects nearly ALL mechanical and electrical components except those listed in the “What Is Not Covered” section of the agreement.

EXCLUDED ITEMS INCLUDE, BUT ARE NOT LIMITED TO:

Scheduled maintenance, adjustments, and wear items. Alignments, coolants, 12V lead-acid batteries, battery cable, hoses, clamps, belts, mobile connector, wall connector, any future connectors, and any related charging adapters, tires, wheels, wheel covers, wheel lugs and lug nuts, valve stems, light bulbs, interior LED lighting, lenses, brake rotors, brake drums, brake shoes, brake pads, upholstery, paint, glass, trim, moldings, weather strip/body seals, door bushings/bearings, body panels, sheet metal, bumpers, frames and structural parts, sub-frames, brackets, convertible top assemblies, vinyl top, environmental waste charges or disposal fees. Any options/equipment not originally installed by the vehicle manufacturer.

APEX EV IS THE INDUSTRY'S FIRST VSC EXCLUSIVELY FOR ELECTRIC VEHICLES – BATTERY INCLUDED!

Apex EV also provides coverage for your vehicle's battery/battery pack or individual battery cell(s) should there be a breakdown due to normal usage and charging standards which causes degradation to its ability to hold adequate charge. The allowable capacity before a claim will be paid is the lesser of 70% or the manufacturer's capacity allowance. *(EV battery coverage included only on vehicles current plus 5 model years with less than 100,000 miles at time of contract purchase).*

CUSTOMIZE YOUR COVERAGE:

COMMERCIAL USE OPTION

Available with surcharge. Provides coverage for vehicles used for the business purpose of providing ride-share services (Uber, Lyft, etc.), or has been issued commercial plates in the state in which it is titled, or is used for a commercial enterprise. *(Usage must not exceed manufacturer's ratings and/or limitations.)*

WHAT'S CONSIDERED AN ELECTRIC VEHICLE?

An electric vehicle (EV), also referred to as a battery electric vehicle (BEV), is a vehicle which uses a battery source to power one or more electric motors for propulsion. *(Other alternative fuel vehicles including (HICEV), (FCV), (FCEV), and plug-in hybrids, are not eligible for coverage under this program.)*
