glass, interior stains and other accidental damage that happens over time. All of these items and many more, including excess wear on your tires, are your responsibility to repair at lease-end, or you risk losing not your security deposit and potentially even more out-of-pocket!

*Did you know over a half billion dollars in excess wear & tear charges are assessed to lease holders annually?*

Plan ahead for lease-turn-in, and protect yourself from expensive wear and tear charges with **Excess Wear & Tear Coverage from Endurance DS.**

With our protection plans, up to \$5,000 in fees for repairing items including dents, dings, scratches, replacement tires and more will be waived at lease-end!
