Most stolen vehicles are either never recovered,
or recovered with extensive and costly damages.

If your vehicle is stolen, would you have enough left
to purchase or lease another vehicle after paying
your auto insurance deductible, rental vehicle fees,
and other out-of-pocket expenses?

*With Theft Deterrent coverage from EDS, you
can protect your investment AND get down
payment assistance should your vehicle be
stolen and declared a total loss!*

THEFT DETERRENT PROTECTION PLANS FROM EDS PROVIDE **REAL FINANCIAL HELP WHEN YOU NEED IT MOST!**

Plan for the unexpected with Theft Protection from EDS! With our theft deterrent system, tamper-resistant labels with traceable security codes are permanently installed on various parts of the vehicle and recorded in our system, along with vehicle/owner details. Regardless of whether stickers are removed, codes remain – invisible to the naked eye but visible under a UV light. When law enforcement calls the number listed on our deterrent stickers, we can help identify the vehicle/vehicle owner. Anti-theft warning decals are also affixed to windows, which prominently display that your vehicle is protected by AutoShield. Together, the system is proven to protect vehicles from professional thieves.
