**Red River ENT, Dr. Paul Guillory, Dr. Renick Webb, and Dr. Christian Wold are still accepting Blue Cross patients.**

Effective May 1, 2019 Dr. Guillory and Dr. Webb will be considered out of network physicians but both Dr. Webb and Dr. Guillory **WILL HONOR** your Blue Cross Benefits.

- If you are a patient of Dr. Wold's, nothing will change for you. Dr. Wold is still an "In Network Provider"
- If you have Medicare as your primary coverage and a Blue Cross Supplement nothing changes for you.

Blue Cross values your opinion, if you feel this change in network status affects you please **SHARE YOUR OPINION**:
