

About Immedia

WORLD-CLASS | ENTERPRISE-FOCUSED | INNOVATORS

Technology experts.
World-class company.

NOT YOUR AVERAGE AV COMPANY

Founded in 2004, Immedia Integrated Technologies is a full-service, enterprise-focused integrated technology company. Our vision is simple: to improve the lives of our clients through the innovative use of technology. To remain aligned with our vision we have carefully formed a team of like-minded, innovative individuals committed to giving our clients an unforgettable experience. We offer a world-class team of technology specialists and a commitment to quality that no other integrator in the Southwest United States can provide.
