

State Officer Elections for 2019-2020

Teachers – PLEASE encourage your students to consider running for office. State Officers work with Marca through the school year to plan the State Conference (all ideas come from them), promote and network Teacher Cadet and FTA students and programs, and communicate with legislators to promote Teacher Cadet.

Marca coordinates officer meetings with student schedules (late night, weekends, holidays – whatever works for them). Only a couple meetings are face-to-face. Meeting locations are central to all officers. Other meetings are done through Google Hangout or conference calls.

State officers develop and grow skills in leadership, public speaking, and organizing. Holding a state leadership role is impressive on college applications!

Fun and Easy Campaign Rules for Candidates!

Text a phone video of themselves to Marca at 704-796-2317 by **February 8, 2019**. Videos should include:

- 1) Introduction and School Name
- 2) Office Seeking – President, VP, Social Media, Communications
- 3) Tentative College and Career Plans
- 4) Why they're qualified and/or be considered.

Videos will be played at conference. Candidates should be prepared to introduce themselves.

Fair Voting: Each school will collectively vote on one candidate per office. You will not be allowed to vote on your own students.
