

# A NATIONAL NETWORK OF DENTAL CARE

AultCare has collaborated with DenteMax, one of the largest commercial PPO networks in the country with over 280,000 network dentist access points, to provide members with quality dental care. DenteMax has over 30 years of experience in PPO network management, services more than 20 million members nationwide, and is utilized by over 200 major clients.

## Benefits of DenteMax

- In Ohio, members can save an average of 42% on standard dental charges
- All network dentists are regularly reviewed to ensure they meet high-quality standards
- More than 96% of providers are retained every year
- Custom recruitment efforts are conducted to improve dentist access for specific client needs
- Access to an online directory to select a DenteMax dentist by name or location

## How to Find a DenteMax Provider

- Visit [aultcare.com](http://aultcare.com) and select "Find a Provider"
- Select "DenteMax Directory" from the list of directories
- You will be directed to the DenteMax website. Enter the city or zip code you are searching in
- Search for a dentist using filters such as, specialty, office name, or if they are accepting new patients
