## Governor's Executive Order

In an effort to help slow the spread of COVID-19 in Oregon, and per Governor Brown's Executive Order 20-12, the Office of the Long Term Care Ombudsman is temporarily halting in-person interactions between staff and the public at our office location in Salem. Our agency programs are however fully functioning and can be reached by phone or email. See program specific contact information on this website for phone numbers and email addresses. If needed, in-person interactions between staff and the public will be by appointment only.
