

To EquipmentShare's Customers and Communities:

EquipmentShare is focused on preserving the health and safety of our employees, customers and our local communities throughout the COVID-19 crisis.

During this challenging time, we will continue to serve our customers and all those that provide critical support to our community emergency care providers, infrastructure, medical services and others. Our teams across the nation will continue to provide resources to our customers while abiding by enhanced health and safety procedures. Read more about the precautions we're taking [here](#).
