SOUTHPARK CHURCH

CHURCH PROFILE

We want to help those around us live life to the full. We've built this new campus so that it can be a place where church and community intersect: we want to be present in our SouthPark community in big ways. Jesus inspires us, especially when He says, "I have come that they may have life, and have it to the full" (John 10:10). We are a group of imperfect people seeking to live abundant, full lives. Full life is all about loving relationships with God and each other.

A CHURCH RELAUNCHING

8 YEARS IN THE MAKING

Throughout its history, SouthPark Church has been committed to doing whatever it takes to help people discover life to the full in Christ. We even said goodbye to our iconic "ski slope" campus to make way for the new Apex:SouthPark mixed-use development. "Apex" means "peak." We believe the apex of life is a life lived in Christ.

We hope Apex:SouthPark will become a model for how communities can live life together. We look forward to making new friends and to being reliable neighbors.
