Silo Gallery and Glass Studios has fused glass classes in the Wimberley/San Marcos, TX area. Rainy day or scorching hot, it is a great place to be when the weather isn't perfect. Check out the web site for updates and class news.

Most classes are about 2 hours (advanced classes are longer) and are available Thursday thru Saturday. The cost of the class is all inclusive, within the scope of the project, this includes standard glass, firings, and all parts to complete the project. There may be an extra charge for premium glass.

Please wear a mask. We will do what we can with distance in the classroom. Those with illnesses and those in compromised populations are encouraged NOT to come, if already signed up, you will be refunded the full amount of the class or can take it at a later date. Everyone please stay safe! No tools or supplies to bring, just bring yourself, wear closed toe shoes and have fun!

Check the Website to sign up, e-mail, or come by today to hold your place! Most classes are minimum of two and maximum six students.
