All students, faculty, and staff welcome!

Students, come learn about employment opportunities in STEM and other mission critical skills and careers within the Department of Defense (DoD). Don't miss out on the chance to meet with recruiters and hear about internships, scholarships, direct hiring programs, and how to navigate DoD opportunities in a virtual environment.

Faculty and staff, join us for sessions on research and grant programs, innovative partnerships with small businesses, and faculty leave and sabbatical programs within DoD.
