

Job Title: Math Tutor

STEAM:CODERS, a 501c3 nonprofit, teaches underrepresented and underserved students the fundamentals of Science, Technology, Engineering, Art and Math (STEAM). STEAM:CODERS is seeking Math Tutors to assist us with our MathPods program. If you are prepared to put your teaching and math skills to use, for an excellent cause, please contact us. We need experienced, talented and dedicated people to teach and inspire the next generation. We offer internships, volunteer and paid positions, depending upon the level of experience.

SUMMARY:

Math tutors are responsible for teaching 4-8 students, in groups, how to comprehend math concepts, assisting with math homework, preparing for math tests and quizzes and helping students develop confidence. Tutors will be asked to work remotely or, in person, as needed. Schedules are flexible.

TASKS AND RESPONSIBILITIES

- Coordinate with School Math Teachers to reinforce coursework and assignments
- Help students to understand mathematical concepts, processes, and computations
- Communicate with Parents, regarding student progress, challenges and grades
- Provide encouragement and support to keep students motivated and prepared

QUALIFICATIONS & REQUIREMENTS

- Complete Live Scan background check
- Passion for working with students in grades 4 - 12
- Ability to tutor 1-on-1 and in small groups or pods
- Excellent communication and organizational skills
- Proof of vaccination required for in-person assignments
- Ability to multitask efficiently in a fast-paced environment
- Prior teaching or tutoring experience preferred, but not required

If you are interested in the Math Tutor position, please send your cover letter and resume to us at info@steamcoders.org. For more information, visit us at www.steamcoders.org.
