

SILVER OAKS

RESIDENTIAL CARE HOME

PROVIDING YOU WITH PEACE OF MIND THROUGH GREAT QUALITY CARE.

Once the home of William Wordsworth's son, who was the local parson for a few years, is the intimately characterful Silver Oaks Residential Care Home. Situated on the edge of the Charnwood forest, our lovely Grade II listed thatched home is a peaceful place in the heart of Whitwick with access to the local shops and facilities.

ACCOMODATION - Our home from home has 19 single rooms, the majority having en-suite w.c. facilities and are furnished with the latest technology to make our residents stay more comfortable and enabling our team more time to focus on the care. We have a quiet room, TV lounges, dining room, family room and a beautiful garden where we grow our own vegetables, and spend time pottering in the greenhouse or under the marquee on those lovely summer days.

CARE AND CATERING - At Silver Oaks we understand that this is our residents home and we will make every effort to ensure your loved ones are looked after and made to feel welcome and at home. We have highly trained staff who all adopt a person centered approach to care 24 hours a day.

“Silver Oaks is very much resident led, and our ethos centers around that”

(Julie Pearson—Manager)

We also appreciate that food will play an important part of our residents day and as such we have an award winning cook who provides guaranteed nutrition, an outstanding choice of extremely tasty food options and a large degree of flexibility to cater for any dietary needs. A full English breakfast is available every day and we make sure that Fish on Fridays is cooked to perfection. We welcome tastings to all our residents and families before they arrive so they can taste the wonderful dishes.

ACTIVITIES

At Silver Oaks we focus around quality of life and activities both grand or small can provide a great deal of enjoyment. It might be a dedicated chat or a trip to the seaside, whichever it is, our activities coordinator Julie tries her best to ensure each residents life is respected and fulfilled.

SERVICES, FACILITIES & POLICIES

Services like laundry, chiropody and hairdressing are part of routine life at Silver Oaks. We have a strong emphasis on entertainments and plan events to meet the needs of the residents. Medical care will be provided by

one of the GP surgeries, based locally.

Silver Oaks is above all a home and all the staff are trained to attend to the individual needs of the resident, respecting their privacy and dignity at all times.

We see our home as a lively yet peaceful place, providing a caring home for our residents, encouraging them to maintain their independence for as long as possible and provide peace of mind to families and loved ones.

11 SILVER STREET, WHITWICK, COALVILLE LE67 5EW

“ Placing a loved one in care is never easy but it’s our privilege to provide a truly warm loving home that I’d be proud to call my home”

**Mark Booth
(Owner)**

INVESTMENT IN CARE

DAY CARE	£65 Per Day
RESPIRE CARE **	£115 Per day
PERMANENT RESIDENCY	£800 Per week

Care fee’s include nutritional food 24 hours a day with a fantastic range of choices, 3 hot meals available daily, laundry, 24 hr person centered care from a highly motivated and well trained team, fully furnished rooms, access to all the most up to date equipment, services and facilities, TV points and WIFI, we also provide in-house entertainment and day trip activities*

* Some activities and day trips may be chargeable depending on the level of investment and involvement.

** For respite stays we charge an initial £42 care plan set-up fee which would be refunded should the stay ever become permanent.

Fee’s do not include: Private chiropody, hairdressing, newspapers or toiletries. Repeat appointments requiring chaperoning will need to be discussed on an individual basis and may incur a cost. Although we are registered as a residential home we do use the district nursing service and can cater for higher dependent individuals based on an assessment. Please enquire at the home

FUNDING YOUR CARE

Going into care is daunting in itself and it’s important to know that help is available to make it a smooth transition.

We have provided a few sources that we recommend you research before you apply to Silver Oaks, or for care in general.

HOW TO APPLY FOR YOUR CARE

If you are thinking of Silver Oaks to provide your care there are a few steps that we need to take together and the first one is a visit to the home to have a look round and pick up an application pack.

In the application pack you will find a pre-assessment form that you can work through with your relative,

advice and guidance on how to fill this in will be provided when you come to see us.

Once filled in please return it to us and we will then work with you to establish the most suitable direction for your care needs.

If we can meet your care needs and you like the

home then we would need to establish when we would be able to offer you a place.

Whilst the application process is underway we would organise a visit to familiarise you with our home, maybe have lunch and see how we operate, thus making the move more comfortable.
