# Build Your Brand for the Digital Age

We'll work with you to establish a unique visual identity and develop a comprehensive approach to implementing the aesthetic throughout your brand's ecosystem whether it be digital, print, experiential, or environmental.

## CORE BRAND ASSETS

- + Primary & Secondary Logo Design
- + Colors/Patterns/Textures
- + Type Treatment & Styling
- + Business Cards & Letterhead
- + Promotional Materials
- + Package Design
- + Brand Book

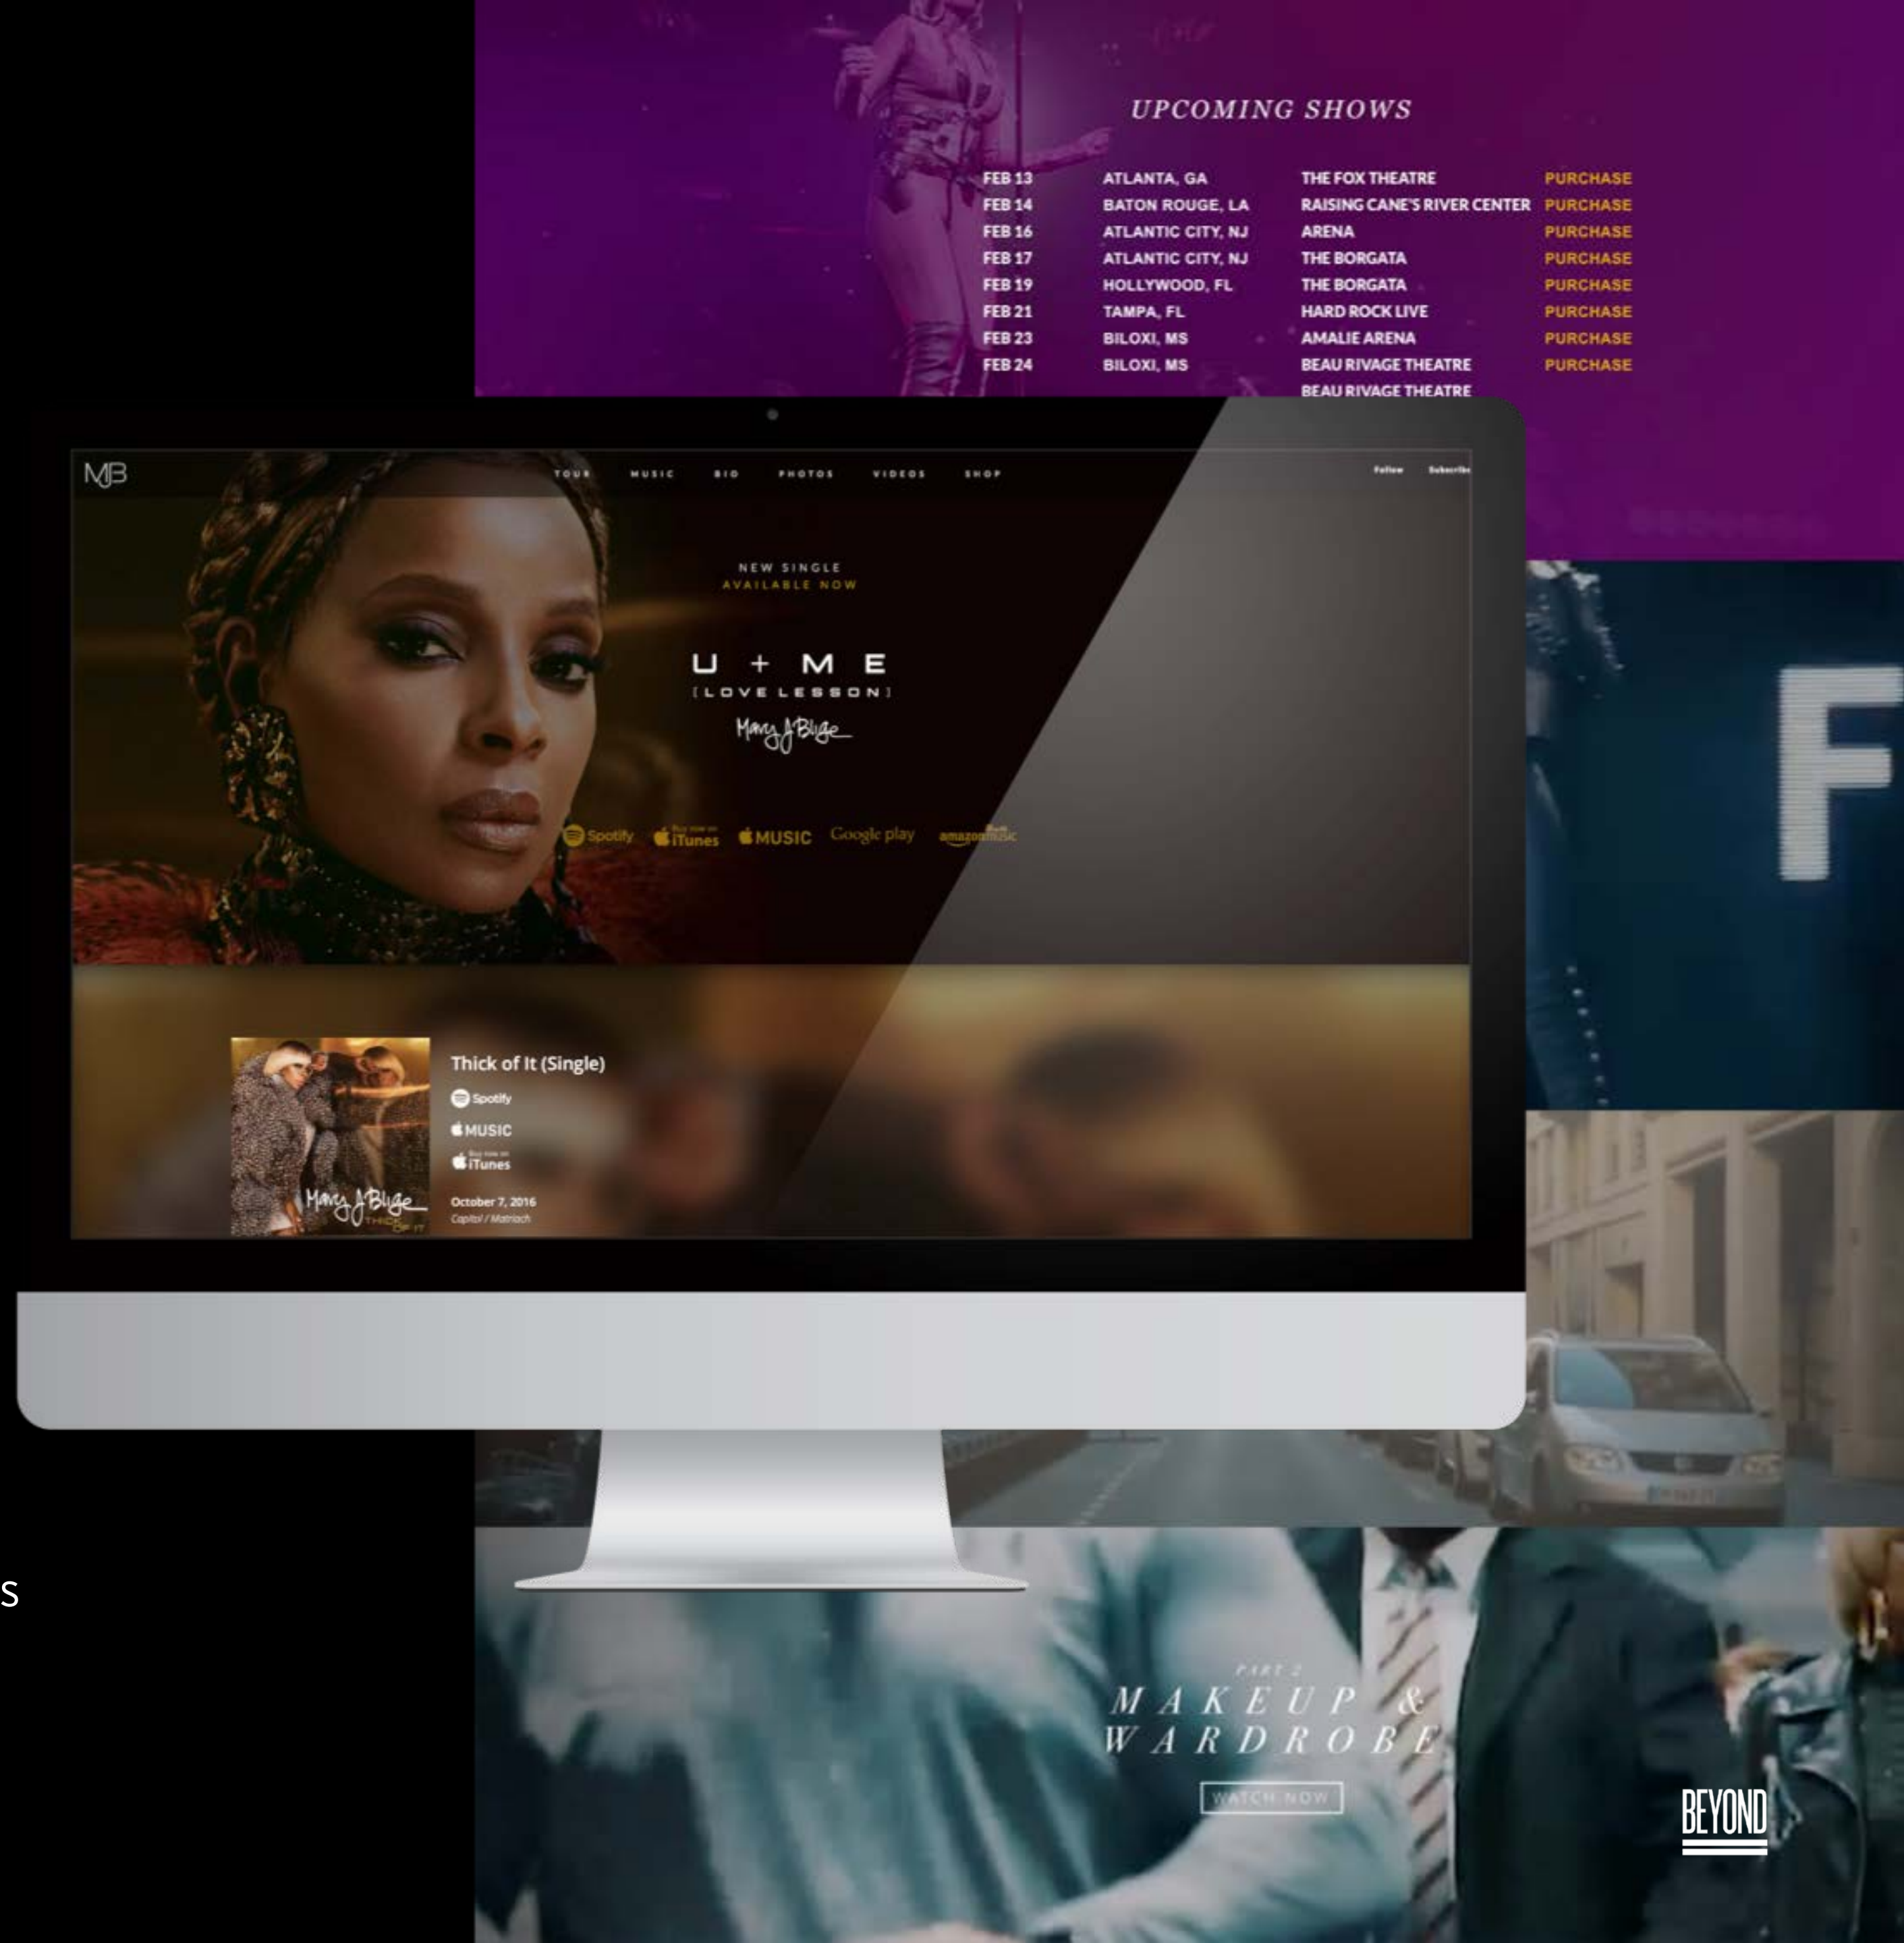

# Connect With Your True Fans

Whether you are a brick & mortar business or an online retail shop it's imperative that your digital footprint accurately reflects your core values. No matter the extent to which your brand lives in the real world a well curated online environment is a powerful tool to constantly connect with your base and gain a better understanding of their preferences.

## WEB DESIGN & DEVELOPMENT

- + UX/UI Design
- + Responsive Web Development
- + SEO Management
- + CMS Integration
- + E-Commerce
- + Site Analytics & Reports
- + Social Media Reports

# Establish a Brand Aesthetic

---

A strong visual representation is essential to building familiarity and consistency wherever your brand lives. Our creative team will develop a photographic style that represents your brand and maintains a high level of consistency throughout every touchpoint.

## **BRAND IMAGERY**

- + Brand Photography
- + Styled Product Photography
- + Lifestyle Imagery
- + Primary Campaign Assets
- + E-Commerce
- + Retouching

# Speak Their Language

Messaging for your brand can be leveraged through multiple avenues. There is the opportunity to amplify reach through a targeted digital ad campaign, printed marketing materials, or partnering with influencer personalities. We'll help guide your brand towards an effective strategy that aligns with your mission and deliver the creative assets necessary to execute.

## BRAND VOICE & MESSAGING

- + Language & Tone
- + Copywriting
- + Tagline
- + Manifesto
- + Creative Direction
- + Campaign Strategy
- + Concept Development
- + Print & Digital Marketing Assets

# Tell Your Story

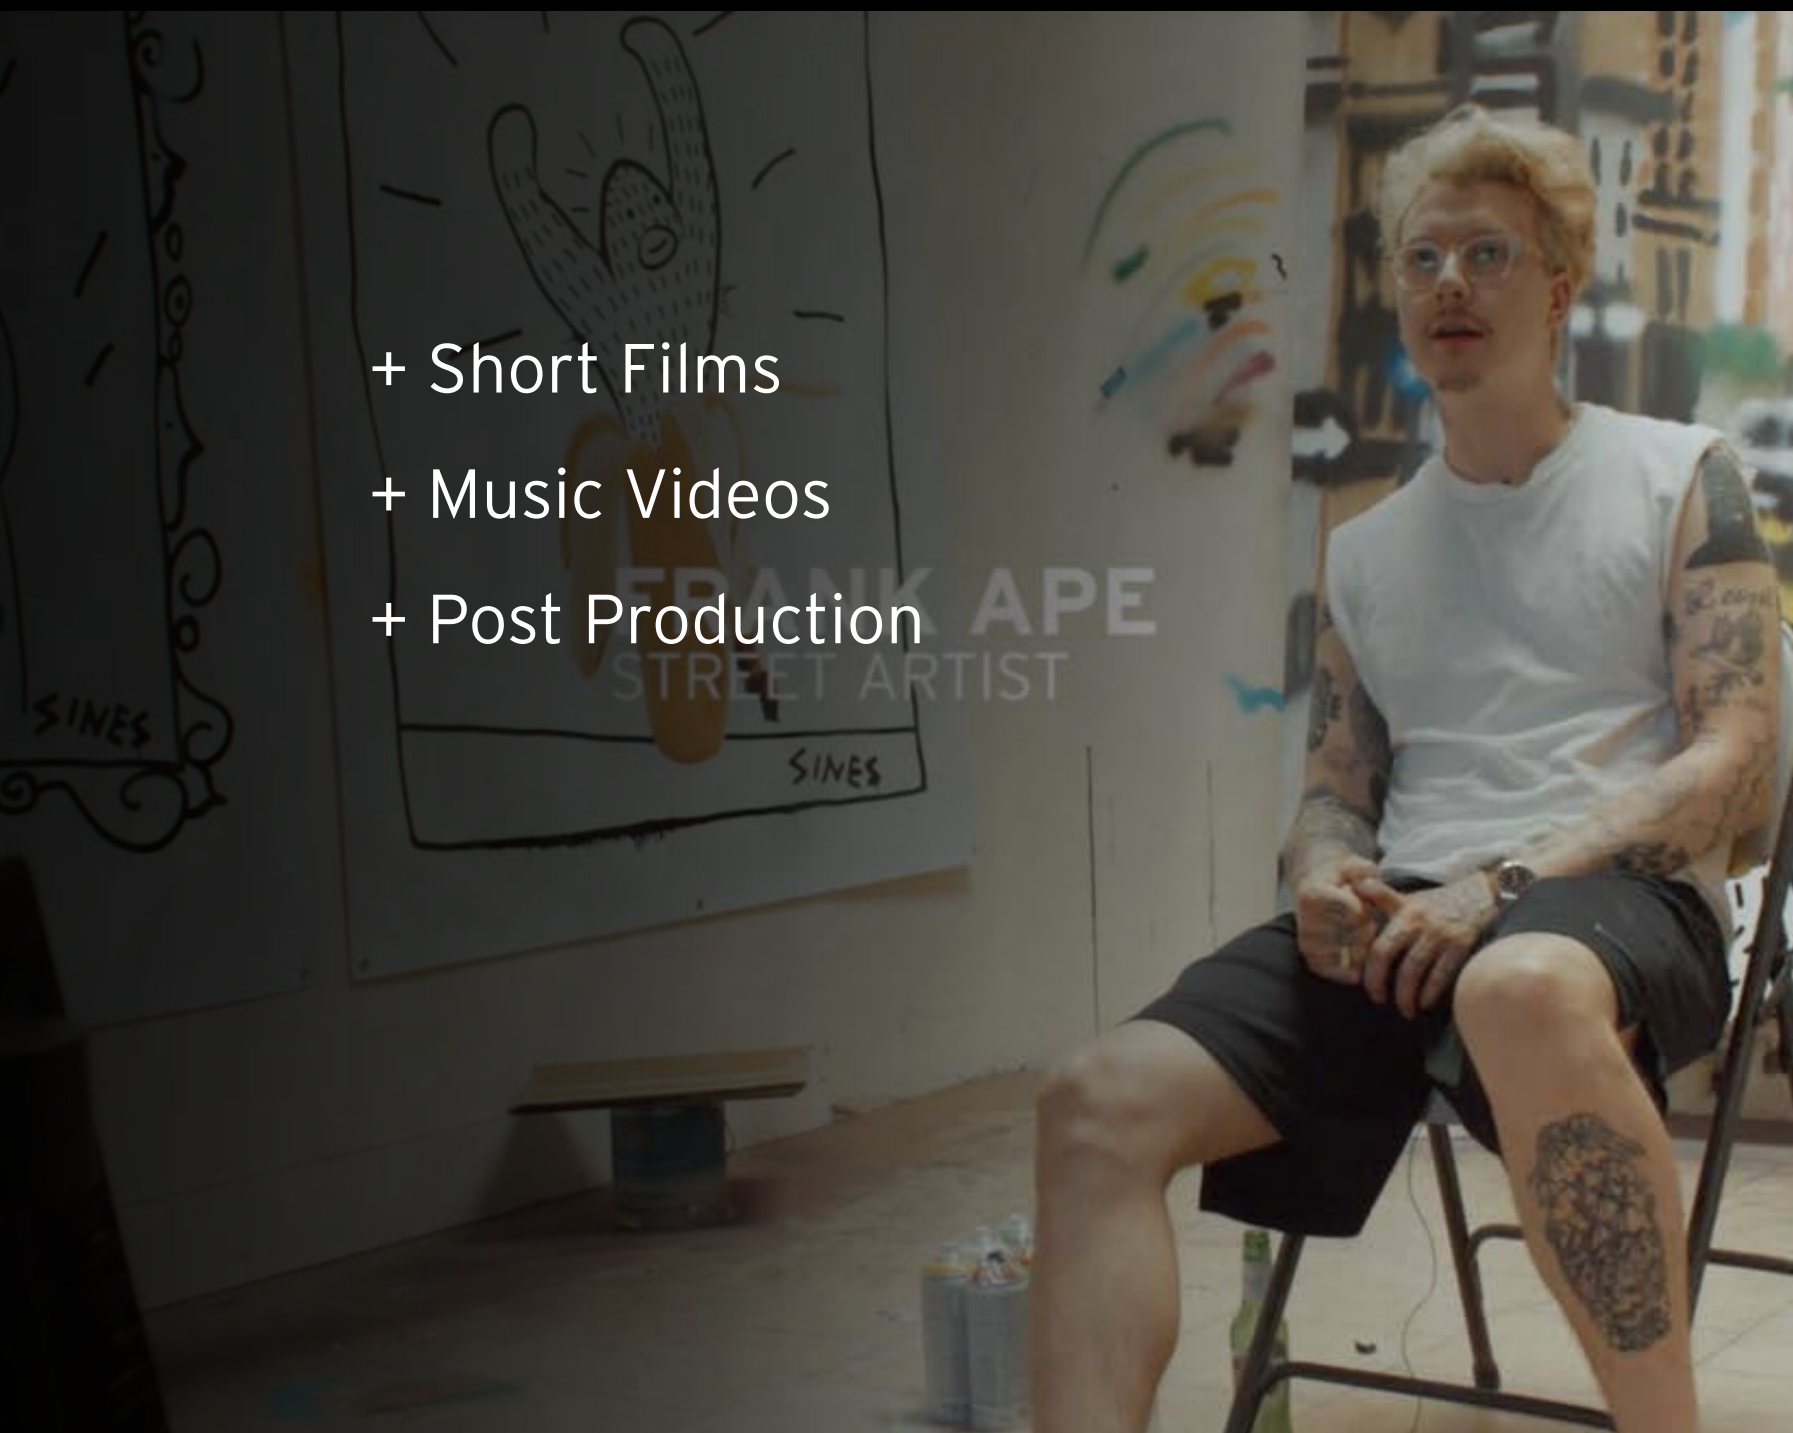

Some of the most essential elements of your brand can only be communicated through film & video. Take advantage of our full scope of production resources for product launch videos, seasonal campaigns, branded, or commercial content. Beyond provides end-to-end production from concept & storyboarding through to final execution.

## PRODUCTION

- + Campaign Production
- + Branded Content
- + Commercial Video
- + Narrative Storytelling

- + Short Films
- + Music Videos
- + Post Production
