

## Referee Compensation Standard Conference Cups

**Purpose: To standardize our referee compensation policy and procedure to ensure consistency.**

Conference Cup Tournaments will be held throughout the United States. To attract and recruit the best available officials, we have developed these compensation guidelines.

### **Referee Coordinators (RC)**

---

All costs for the Referee Coordinator (RC) will be paid by the Local Organizing Committee (LOC).

Each Conference Cup will be assigned an RC. The RC will be responsible for the management of the officiating crew for the appropriate Conference Cup. The RC will also complete written assessments on all Center Referees assigned to games.

Compensation for the RC will be a flat fee, calculated at \$10 times the number of scheduled games for the entire Conference Cup Tournament.

This must be arranged with the LOC at least 30 days in advance of the actual arrival date.

**The following compensation scales are for Center Referees only.** There is no travel or housing compensation for A/Rs. All A/Rs should come from a local referee pool developed by the LOC in cooperation with the USPSA.
